Description of Non-GAAP Financial Measures

CommScope management believes that presenting certain non-GAAP financial measures enhances an investor’s understanding of our financial performance. In addition, CommScope management believes that these non-GAAP financial measures are useful in assessing CommScope’s operating performance from period to period by excluding certain items that we believe are not representative of our core business. Non-GAAP measures are not a substitute for GAAP measures and should be considered together with the GAAP financial measures. As calculated, our non-GAAP measures may not be comparable to other similarly titled measures of other companies.

Third quarter results

- **Lower Net Sales driven by customer inventory corrections and customer CAPEX reductions**— Core⁽¹⁾ net sales of \$1.35 billion, declining 32% from prior year; Consolidated CommScope net sales of \$1.60 billion, declining 33% from prior year
- **Adjusted EBITDA due to lower revenue** – Core adjusted EBITDA of \$245 million⁽²⁾ and Consolidated CommScope adjusted EBITDA of \$249 million⁽²⁾
- **Cost Actions**— Executed cost savings of more than \$150 million. Plan to implement additional \$100M by the end of Q1 2024. Will position us well as demand returns to normal levels
