Item 1.01 Entry into a Material Definitive Agreement.

The information required by this item is included in Item 2.03 below and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

On August 11, 2021, CommScope Holding Company, Inc. (the “Company”), announced that its direct subsidiary, CommScope, Inc. (the “Issuer”), entered into an agreement to issue \$1,250 million in aggregate principal amount of 4.750% senior secured notes due 2029 (the “Notes”). The Notes and related guarantees were issued pursuant to an indenture, dated August 23, 2021, among the Issuer, the guarantors party thereto (the “Guarantors”) and Wilmington Trust, National Association, as trustee and collateral agent (the “Indenture”). The Issuer will pay interest on the Notes semi-annually in arrears on March 1 and September 1 of each year, commencing on March 1, 2022. Unless earlier redeemed, the Notes will mature on September 1, 2029. The Notes and related guarantees were offered in a private placement exempt from registration under the Securities Act of 1933, as amended (the “Securities Act”), to qualified institutional buyers pursuant to Rule 144A under the Securities Act and to certain non-U.S. persons outside of the United States in reliance on Regulation S under the Securities Act.

The Company used the net proceeds from the offering of the Notes, together with cash on hand, to redeem and retire all of the Issuer’s outstanding 5.500% senior secured notes due 2024 and to pay related fees and expenses.

Ranking and Security

The Notes will be jointly and severally guaranteed on a senior secured basis by the Company and, subject to certain exceptions, each of the Issuer’s existing and future wholly owned domestic restricted subsidiaries that is an obligor under the Company’s senior secured first-lien term loan facility (the “Term Loan Facility”) or asset-based revolving credit facility (the “Revolving Credit Facility”) or certain other capital markets indebtedness. Under the terms of the Indenture, the Notes and the related guarantees will be the Issuer’s and the Guarantors’ general, senior secured obligations and will (i) be secured on a first-priority basis, equally and ratably with all parity lien indebtedness of the Issuer and the guarantors, including the Term Loan Facility and the Issuer’s existing senior secured notes, by security interests in all of the Issuer’s and the Guarantors’ assets that secure the Term Loan Facility on a first-priority basis (the “Fixed Asset Collateral”) and will be secured on a second-priority basis by all of the Issuer’s and the Guarantors’ inventory, accounts receivable, deposit accounts, securities accounts, certain related assets and other current assets that secure the Revolving Credit Facility on a first-priority basis and the Term Loan Facility on a second-priority basis (the “Current Asset Collateral”), in each case, subject to certain limitations and exceptions and permitted liens; (ii) rank contractually senior in right of payment to all of the Issuer’s and the Guarantors’ subordinated indebtedness; (iii) be effectively senior to any of the Issuer’s and the Guarantors’ senior unsecured debt, including the Issuer’s and CommScope Technologies LLC’s existing unsecured notes, and indebtedness secured by liens junior to the liens securing the Notes and the related guarantees (including, in the case of the Fixed Asset Collateral, the Revolving Credit Facility), in each case, to the extent of the value of the collateral securing the Notes and the related guarantees; (iv) without giving effect to collateral arrangements, rank equally in right of payment with all of the Issuer’s and the Guarantors’ senior indebtedness; (v) be effectively equal to all of the Issuer’s and the Guarantors’ senior indebtedness secured on the same priority basis as the Notes and the related guarantees, including the Term Loan Facility; (vi) be effectively subordinated to any of the Issuer’s and the Guarantors’ indebtedness that is secured by assets that do not constitute collateral for the Notes and the related guarantees, to the extent of the value of the assets securing such indebtedness, and indebtedness that is secured by a senior-priority lien, including the Revolving Credit Facility, to the extent of the value of the Current Asset Collateral; and (vii) be structurally subordinated to the liabilities (including trade payables) of any existing and future non-guarantor subsidiaries.

Optional Redemption Provisions and Repurchase Rights

At any time prior to September 1, 2024, upon not less than 10 nor more than 60 days’ notice, the Notes will be redeemable at the Issuer’s option, in whole or in part, at a price equal to 100% of the principal amount of the Notes redeemed, plus a make-whole premium as set forth in the Indenture, plus accrued and unpaid interest, if any, to, but not including, the redemption date. Beginning September 1, 2024, the Issuer may redeem the Notes, at its option, in

whole or in part, at any time, upon not less than 10 nor more than 60 days' notice, subject to the payment of a redemption price together with accrued and unpaid interest, if any, to, but not including, the redemption date. The redemption price includes a call premium that varies (from 2.375% to 0%) depending on the year of redemption.

At any time prior to September 1, 2024, the Issuer may redeem up to 40% of the aggregate principal amount of the Notes at a redemption price equal to 104.750% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the redemption date, with the net cash proceeds of sales of one or more equity offerings by the Issuer or any direct or indirect parent of the Issuer, subject to certain exceptions.

In addition, at any time prior to September 1, 2024, the Issuer may redeem during each calendar year up to 10% of the aggregate principal amount of the Notes at a redemption price equal to 103% of the aggregate principal amount of the Notes to be redeemed, together with accrued and unpaid interest, if any, to, but not including, the redemption date.

Subject to certain exceptions, the holders of the Notes will have the right to require the Issuer to repurchase their Notes upon the occurrence of a change in control, as defined in the Indenture, at an offer price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest, if any, to, but not including, the date of repurchase.

In addition, if the Issuer or any of its restricted subsidiaries sells assets, under certain circumstances, the Issuer will be required to use the net proceeds to make an offer to purchase the Notes at an offer price in cash equal to 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but not including, the repurchase date.

In connection with any offer to purchase all or any of the Notes (including a change of control offer and any tender offer), if holders of no less than 90% of the aggregate principal amount of the Notes validly tender their Notes, the Issuer or a third party is entitled to redeem any remaining Notes at the price offered to each holder.

Restrictive Covenants

The Indenture contains covenants that limit the Issuer's (and its subsidiaries') ability to, among other things: (i) incur additional debt or issue certain preferred stock; (ii) pay dividends, redeem stock or make other distributions; (iii) make other restricted payments or investments; (iv) create liens on assets; (v) transfer or sell assets; (vi) create restrictions on payment of dividends or other amounts by the Issuer to the Issuer's restricted subsidiaries; (vii) engage in mergers or consolidations; (viii) engage in certain transactions with affiliates; or (ix) designate the Issuer's subsidiaries as unrestricted subsidiaries.

Events of Default

The Indenture provides for customary events of default, including non-payment, failure to comply with covenants or other agreements in the Indenture, certain events of bankruptcy or insolvency and certain defaults with respect to the security documentation related to the Notes and the collateral securing the Notes and the related guarantees. If an event of default occurs and continues with respect to the Notes, the trustee or the holders of at least 30% in aggregate principal amount of the outstanding Notes may declare the entire principal amount of all the Notes to be due and payable immediately (except that if such event of default is caused by certain events of bankruptcy or insolvency, the entire principal of the Notes will become due and payable immediately without further action or notice).

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture and the Form of Notes. Copies of the Indenture and Form of Notes are attached as Exhibit 4.1 and Exhibit 4.2 to this Current Report on Form 8-K, and are incorporated by reference herein.

This Current Report on Form 8-K does not constitute an offer to sell or the solicitation of an offer to buy the Notes or any other securities, and shall not constitute an offer, solicitation or sale of any security in any jurisdiction in which such offering, solicitation or sale would be unlawful. The Notes and the guarantees thereof have not been and will not be registered under the Securities Act or the securities laws of any other jurisdiction, and may not be offered or sold absent registration or an applicable exemption from the registration requirements of the Securities Act or the securities laws of any other jurisdiction.

BY ITS ACQUISITION OF THIS NOTE, THE HOLDER THEREOF WILL BE DEEMED TO HAVE REPRESENTED AND WARRANTED THAT EITHER (1) NO PORTION OF THE ASSETS USED BY SUCH HOLDER TO ACQUIRE OR HOLD THIS NOTE CONSTITUTES THE ASSETS OF AN EMPLOYEE BENEFIT PLAN THAT IS SUBJECT TO TITLE I OF THE U.S. EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED ("ERISA"), A PLAN, INDIVIDUAL RETIREMENT ACCOUNT OR OTHER ARRANGEMENT THAT IS SUBJECT TO SECTION 4975 OF THE U.S. INTERNAL REVENUE CODE OF 1986, AS

THIS NOTE HAS BEEN ISSUED WITH "ORIGINAL ISSUE DISCOUNT" (WITHIN THE MEANING OF SECTION 1273 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED). UPON WRITTEN REQUEST TO THE ISSUER AT [ADDRESS], THE ISSUER WILL PROMPTLY MAKE AVAILABLE TO ANY HOLDER OF THIS NOTE THE FOLLOWING INFORMATION: (1) THE ISSUE PRICE AND DATE OF THE NOTE, (2) THE AMOUNT OF ORIGINAL ISSUE DISCOUNT ON THE NOTE AND (3) THE YIELD TO MATURITY OF THE NOTE.

Members of, or Participants in, the Depository ("Agent Members") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository, or the Trustee as its custodian and the Depository may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of the Global Note for all purposes whatsoever, including but not limited to notices and payments. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note. Notwithstanding anything to the contrary contained herein, any notice to be delivered to DTC (including, but not limited to, a notice of redemption) may be delivered electronically by the Trustee or the Issuer in accordance with the Applicable Procedures of DTC.

SECTION 2.2. Form of Execution and Authentication. An Officer shall sign the Notes for the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Note is authenticated, the Note shall nevertheless be valid.

A Note shall not be valid until authenticated by the manual signature of the Trustee. The signature of the Trustee shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee shall authenticate (i) the Initial Notes for original issue on the Issue Date in an aggregate principal amount of \$1,250,000,000 and (ii) subject to compliance with Sections 3.3 and 3.5, one or more series of Notes ("Additional Notes") for original issue after the Issue Date (such Notes to be substantially in the form of Exhibit A hereto) in an unlimited amount, in each case, upon written order of the Issuer signed by an Officer of the Issuer (an "Authentication Order"), which Authentication Order

shall, in the case of any issuance of Additional Notes, certify that such issuance is in compliance with Sections 3.3 and 3.5. In addition, each such Authentication Order shall specify the amount of Notes to be authenticated, the date on which the Notes are to be authenticated, whether the securities are to be Initial Notes or Additional Notes and the aggregate principal amount of Notes outstanding on the date of authentication, and shall further specify the amount of such Notes to be issued as Global Notes or Definitive Notes. Such Notes shall initially be in the form of one or more Global Notes, which (i) shall represent, and shall be denominated in an amount equal to the aggregate principal amount of, the Notes to be issued, (ii) shall be registered in the name of the Depository or its nominee and (iii) shall be held by the Trustee as Notes Custodian.

The Issuer shall have the right to designate the maturity date, interest rate and optional redemption provisions applicable to each series of Additional Notes, which may differ from the maturity date, interest rate and optional redemption provisions applicable to the Initial Notes. Additional Notes that differ with respect to maturity date, interest rate or optional redemption provisions from the Initial Notes will constitute a different series of Notes from the Initial Notes. Additional Notes that have the same maturity date, interest rate and optional redemption provisions as the Initial Notes will be treated as the same series as the Initial Notes unless otherwise designated by the Issuer. The Initial Notes and any Additional Notes issued under this Indenture shall vote and consent together on all matters as one class, except as otherwise provided in Section 9.2(a). Holders of Additional Notes actually issued will share equally and ratably in the Collateral with the Holders of any Notes issued prior thereto. The Issuer shall also have, subject to the provisions of Section 9.2(a), the right to vary the application of the provisions of this Indenture to any series of Additional Notes.

The Initial Notes and any Additional Notes shall be resold initially only to (A) QIBs and (B) Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S. Such Initial Notes and Additional Notes may thereafter be transferred to, among others, QIBs, purchasers in reliance on Regulation S and institutional “accredited investors” (as defined in Rules 501(a)(1), (2), (3) and (7) under the Securities Act) who are not QIBs (“IAIs”) in accordance with Rule 501 of the Securities Act in accordance with the procedures described herein.

The Trustee may appoint an authenticating agent reasonably acceptable to the Issuer to authenticate Notes. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Issuer or any Affiliate of the Issuer.

SECTION 2.3. Registrar and Paying Agent. The Issuer shall maintain (i) an office or agency where Notes may be presented for registration of transfer or for exchange (including any co-registrar, the “Registrar”) and (ii) an office or agency in the United States where Notes may be presented for payment (the “Paying Agent”). The Registrar shall keep a register of the Notes and of their transfer and exchange and, upon written request from the Issuer, the Registrar shall provide the Issuer with a copy of such register to enable it to maintain a register of the Notes at its registered offices. The Issuer may appoint one or more co-registrars and one or more additional paying agents. The term “Paying Agent” includes any additional paying agent. The Issuer may change any Paying Agent, Registrar or co-registrar without prior notice to any Holder. The Issuer shall notify the Trustee in writing and the Trustee shall notify the Holders of the name and address of any Agent not a party to this Indenture. The Issuer or any of its Subsidiaries may act as Paying Agent, Registrar or co-registrar. The Issuer shall enter into an appropriate agency agreement with any Agent not a party to this Indenture. The agreement shall implement the provisions hereof that relate to such Agent. The Issuer shall notify the Trustee in writing of the name and address of any such Agent. If the Issuer fails to maintain a Registrar or Paying Agent, or fails to give the foregoing notice, the Trustee shall act as such, and shall be entitled to appropriate compensation in accordance with Section 7.6.

The Issuer initially appoints the Trustee as Registrar and Paying Agent and to act as Notes Custodian with respect to the Notes.

SECTION 2.4. Paying Agent to Hold Money in Trust. The Issuer shall require any Paying Agent other than the Trustee to agree in writing that such Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all money held by such Paying Agent for the payment of principal of, premium, if any, and interest on the Notes, and shall notify the Trustee in writing of any Default by the Issuer in making any such payment. While any such Default continues, the Trustee may require any Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require any Paying Agent to pay all money held by such Paying Agent to the Trustee. Upon payment over to the Trustee, such Paying Agent (if other than the Issuer) shall have no further liability for the money delivered to the Trustee. If the Issuer acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy of the Issuer, the Trustee shall automatically be the Paying Agent.

SECTION 2.5. Lists of Holders of the Notes. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with TIA § 312(a). If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders, including the aggregate principal amount of the Notes held by each thereof, and the Issuer shall otherwise comply with TIA § 312(a).

SECTION 2.6. Transfer and Exchange.

(a) **Transfer and Exchange of Global Notes.** A Global Note may not be transferred except, as a whole, by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. Global Notes shall be exchanged by the Issuer for Definitive Notes, subject to any applicable laws, only (i) if the Issuer delivers to the Trustee written notice from the Depositary that the Depositary is unwilling or unable to continue to act as Depositary for the Global Notes or that it is no longer a clearing agency registered under the Exchange Act and, in either case, the Issuer fails to appoint a successor Depositary within 120 days after the date of such notice from the Depositary; (ii) if the Issuer in its sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee; *provided* that in no event shall the Temporary Regulation S Global Note be exchanged by the Issuer for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act; or (iii) upon request of Holders of a majority of the aggregate principal amount of outstanding Notes if there shall have occurred and be continuing an Event of Default with respect to the Notes. In any such case, the Issuer shall notify the Trustee in writing that, upon surrender by the Participants and Indirect Participants of their interests in such Global Note, certificated Notes shall be issued to each Person that such Participants, Indirect Participants and DTC jointly identify as being the beneficial owner of the related Notes. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.7 and 2.10. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.6 or Section 2.7 or Section 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.6(a). However, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.6(b) or Section 2.6(c) below.

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions hereof and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth in this Indenture to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with the applicable subparagraphs below.

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however*, that prior to the expiration of the Restricted Period, no transfer of beneficial interests in a Temporary Regulation S Global Note may be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser) unless permitted by applicable law and made in compliance with Sections 2.6(b)(ii) and (iii) below. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.6(b)(i) unless specifically stated above.

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.6(b)(i) above, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase, or (B) (1) if Definitive Notes are at such time permitted to be issued pursuant to this Indenture, a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above; *provided* that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Temporary Regulation S Global Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903 under the Securities Act. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.6(i) below.

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.6(b)(ii) above and the Registrar receives the following:

(A) if the transferee shall take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transferee shall take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; and

(C) if the transferee shall take delivery in the form of a beneficial interest in the IAI Global Note, then the transferor must deliver a certificate in the form of Exhibit D hereto, including the certifications in item (3) thereof, if applicable.

(iv) Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.6(b)(ii) above, and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit B hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (A), if the Registrar or the Issuer so requests or if the Applicable Procedures so require, an Opinion of Counsel of the Holder or the Issuer (except in the case the Issuer has so requested) in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraph (A) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.2, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (A) above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer and Exchange of Beneficial Interests for Definitive Notes.

(i) Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Restricted Definitive Notes. Subject to Section 2.6(a), if any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then upon receipt by the Registrar of the following documentation:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (2)(a) thereof;

(B) if such beneficial interest is being transferred to a QIB in accordance with Rule 144A under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

(C) if such beneficial interest is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof;

(D) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof;

(E) if such beneficial interest is being transferred to an IAI in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (B) through (D) above, a certificate to the effect set forth in Exhibit D hereto, including the certifications in item (3) thereof, if applicable;

(F) if such beneficial interest is being transferred to the Issuer or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof; or

(G) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof;

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.6(i) below, and the Issuer shall execute and the Trustee shall authenticate and deliver to the Person designated in the certificate a Restricted Definitive Note in the appropriate principal amount. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.6(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Restricted Definitive Notes to the Persons in whose names such Notes are so registered. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.6(c)(i) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(ii) Beneficial Interests in Regulation S Temporary Global Note to Definitive Notes. Notwithstanding Section 2.6(c)(i)(A) and Section 2.6(c)(i)(C) hereof, a beneficial interest in the Regulation S Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(iii) Transfer and Exchange of Beneficial Interests in Restricted Global Notes for Unrestricted Definitive Notes. Subject to Section 2.6(a), a holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(b) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit B hereto, including the applicable certifications in item (4) thereof,

and, in each such case set forth in subparagraphs (A) and (B), if the Registrar or the Issuer so requests or if the Applicable Procedures so require, an Opinion of Counsel of the holder or the Issuer (except in the case the Issuer has so requested) in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iv) Transfer and Exchange of Beneficial Interests in Unrestricted Global Notes for Unrestricted Definitive Notes. Subject to Section 2.6(a), if any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note, then, upon satisfaction of the conditions set forth in Section 2.6(b)(ii) above, the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.6(i) below, and the Issuer shall execute and the Trustee shall authenticate and deliver to the Person designated in the certificate an Unrestricted Definitive Note in the appropriate principal amount. Any Unrestricted Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.6(c)(iv) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Unrestricted Definitive Notes to the Persons in whose names such Notes are so registered. Any Unrestricted Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.6(c)(iv) shall not bear the Private Placement Legend.

(d) Transfer and Exchange of Definitive Notes for Beneficial Interests.

(i) Transfer and Exchange of Restricted Definitive Notes for Beneficial Interests in Restricted Global Notes. If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(D) if such Restricted Definitive Note is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof;

(E) if such Restricted Definitive Note is being transferred to an IAI in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (B) through (D) above, a certificate to the effect set forth in Exhibit D hereto, including the certifications, certificates and Opinion of Counsel required by item (3) thereof, if applicable;

(F) if such Restricted Definitive Note is being transferred to the Issuer or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof; or

(G) if such Restricted Definitive Note is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof,

the Trustee shall cancel the Restricted Definitive Note, increase or cause to be increased the aggregate principal amount of, in the case of clause (A) above, the appropriate Restricted Global Note, in the case of clause (B) above, the 144A Global Note, and in the case of clause (C) above, the Regulation S Global Note, and in all other cases, the IAI Global Note.

(ii) Transfer and Exchange of Restricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes. A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(A) if the Holder of such Definitive Notes proposes to exchange such Notes for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(c) thereof; or

(B) if the Holder of such Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit B hereto, including the applicable certifications in item (4) thereof;

and, in each such case, if the Registrar or the Issuer so requests or if the Applicable Procedures so require, an Opinion of Counsel of the Holder or the Issuer (except in the case the Issuer has so requested) in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the subparagraphs in this Section 2.6(d)(ii), the Trustee shall cancel the Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(iii) Transfer and Exchange of Unrestricted Definitive Notes for Beneficial Interests in Unrestricted Global Notes. A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Unrestricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from an Unrestricted Definitive Note or a Restricted Definitive Note, as the case may be, to a beneficial interest is effected pursuant to Section 2.6(d)(ii)(A) or Section 2.6(d)(iii) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.2, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Unrestricted Definitive Notes or Restricted Definitive Notes, as the case may be, so transferred.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.6(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.6(e).

(i) Transfer of Restricted Definitive Notes to Restricted Definitive Notes. Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer shall be made pursuant to Rule 144A under the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transfer shall be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; and

(C) if the transfer shall be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including, if the Issuer so requests, a certification and/or Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such transfer is in compliance with the Securities Act.

(ii) Transfer and Exchange of Restricted Definitive Notes for Unrestricted Definitive Notes. Any Restricted Definitive Note may be exchanged by the Holder thereof for an Unrestricted Definitive Note or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Definitive Note if the Registrar receives the following:

(A) if the Holder of such Restricted Definitive Note proposes to exchange such Note for an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(d) thereof; or

(B) if the Holder of such Restricted Definitive Note proposes to transfer such Note to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit B hereto, including the applicable certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (A), if the Registrar or the Issuer so requests, an Opinion of Counsel of the Holder or the Issuer (except in the case the Issuer so requests) in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained in this Indenture and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) Transfer of Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(f) Temporary Regulation S Global Note.

(i) Notes offered and sold in reliance on Regulation S shall be issued initially in the form of the Temporary Regulation S Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Notes Custodian and registered in the name of the Depository or the nominee of the Depository for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided.

(ii) During the Restricted Period, beneficial ownership interests in Temporary Regulation S Global Notes may only be sold, pledged or transferred (A) to the Issuer, (B) in an offshore transaction in accordance with Rule 904 of Regulation S (other than a transaction resulting in an exchange for an interest in a Permanent Regulation S Global Note) or (C) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any State of the United States; and beneficial interests in a 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Trustee a written certificate to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if applicable).

(iii) Within a reasonable period after expiration or termination of the Restricted Period, beneficial interests in each Temporary Regulation S Global Note shall be exchanged for beneficial interests in a Permanent Regulation S Global Note upon delivery to DTC of the certification of compliance and the transfer of applicable Notes pursuant to the Applicable Procedures. Simultaneously with the authentication of the corresponding Permanent Regulation S Global Note, the Trustee shall cancel the corresponding Temporary Regulation S Global Note. The aggregate principal amount of a Temporary Regulation S Global Note and a Permanent Regulation S Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(iv) Notwithstanding anything to the contrary in this Section 2.6, a beneficial interest in the Temporary Regulation S Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (x) the expiration of the Restricted Period and (y) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) of the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(g) Private Placement Legend.

(i) Except as permitted by subparagraph (ii) below, each Restricted Global Note and each Restricted Definitive Note (and all Notes issued in exchange therefor or substitution thereof) shall bear the Private Placement Legend.

(ii) Notwithstanding the foregoing, any Global Note or Definitive Note issued pursuant to subparagraph (b)(iv), (c)(iii), (c)(iv), (d)(ii), (d)(iii), (e)(ii) or (e)(iii) of this Section 2.6 (and all Notes issued in exchange therefor or substitution thereof) shall not bear the Private Placement Legend.

(h) Global Note Legend. Each Global Note shall bear the Global Note Legend.

(i) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(j) General Provisions Relating to Transfers and Exchanges.

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.2 or at the Registrar's request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.2, 2.10, 3.7, 3.9, 5.7, 5.8 and 9.4).

(iii) [Reserved].

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits hereof, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) Neither the Registrar nor the Issuer shall be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business on a Business Day 15 days before the delivery of a notice of redemption of Notes and ending at the close of business on the day of such delivery, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part or (C) to register the transfer of or to exchange a Note between a Record Date and the next succeeding Interest Payment Date.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.2.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.6 to effect a registration of transfer or exchange may be submitted by facsimile or electronically.

(ix) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or Indirect Participants) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(x) Neither the Trustee, the Issuer nor any Agent shall have any responsibility for any actions taken or not taken by the Depositary.

(xi) Affiliates of the Issuer may acquire, hold and dispose of the Notes and exercise voting, consent and other similar rights with respect to such Notes (subject to the express restrictions contained in this Indenture).

SECTION 2.7. Replacement Notes. If any mutilated Note is surrendered to the Trustee, or the Issuer and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Issuer shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements for replacements of Notes are met. The Holder must supply indemnity or security sufficient in the judgment of the Trustee (with respect to the Trustee) and the Issuer (with respect to the Issuer) to protect the Issuer, the Trustee, any Agent or any authenticating agent from any loss which any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge for their fees and expenses in replacing a Note including amounts to cover any tax, assessment, fee or other governmental charge that may be imposed in relation thereto.

Every replacement Note is an obligation of the Issuer.

SECTION 2.8. Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.8 as not outstanding.

If a Note is replaced pursuant to Section 2.7, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 3.1 hereof, it shall cease to be outstanding and interest on it shall cease to accrue.

Subject to Section 2.9, a Note does not cease to be outstanding because the Issuer or any Affiliate of the Issuer holds the Note.

SECTION 2.9. Treasury Notes. In determining whether the Holders of the requisite majority of outstanding Notes have concurred in any request, demand, authorization, direction, notice, waiver or consent (other than in respect of any action pursuant to Section 9.2(a), which requires the consent of each Holder of an affected Note), Notes owned by the Issuer or any Affiliate of the Issuer shall be disregarded and considered as though not outstanding, except that for purposes of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, direction, notice, waiver or consent, only Notes which a Trust Officer actually knows to be owned by the Issuer or any Affiliate of the Issuer shall be considered as not outstanding. Upon request of the Trustee, the Issuer shall promptly furnish to the Trustee an Officer's Certificate listing and identifying all Notes, if any, known by the Issuer to be owned or held by or for the account of any of the above-described persons, and the Trustee shall be entitled to accept such Officer's Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are outstanding for the purpose of any such determination.

SECTION 2.10. Temporary Notes. Until Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee shall, upon receipt of an Authentication Order, authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate Definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as Definitive Notes.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of all canceled Notes in its customary manner (subject to the record retention requirements of the Exchange Act and the Trustee), and upon the written request of the Issuer, the Trustee shall deliver copies of such canceled Notes to the Issuer. The Issuer may not issue new Notes to replace Notes that it has redeemed or paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12. Payment of Interest; Defaulted Interest. Interest on any Note which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more predecessor Notes) is registered at the close of business on the regular Record Date for such interest at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.3.

Any interest on any Note which is payable, but is not paid when the same becomes due and payable and such nonpayment continues for a period of 30 days shall forthwith cease to be payable to the Holder on the regular Record Date by virtue of having been such Holder, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted interest and interest thereon herein collectively called "Defaulted Interest"), shall be paid by the Issuer, at its election in each case, as provided in clause (a) or (b) below:

(a) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment (the "Special Interest Payment Date"), and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Issuer shall fix a record date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Issuer shall promptly notify the Trustee of such Special Record Date and shall, or at the written request and in the name and expense of the Issuer, the Trustee shall, cause notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 12.1, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such Defaulted Interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (b).

(b) The Issuer may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause (b), such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13. CUSIP and ISIN Numbers. The Issuer in issuing the Notes may use "CUSIP" and/or "ISIN" numbers (if then generally in use). The Trustee shall not be responsible for the use of CUSIP or ISIN numbers, and the Trustee makes no representation as to their correctness as printed on any Note or notice to Holders. The Issuer shall promptly notify the Trustee in writing of any change in the CUSIP or ISIN numbers. A separate CUSIP or ISIN number will be issued for any Additional Notes, unless the Initial Notes and such Additional Notes are treated as "fungible" for U.S. federal income tax purposes. Except as otherwise specified herein, all references to the "Notes" include any Additional Notes that are actually issued.

SECTION 2.14. Record Date. The record date for purposes of determining the identity of Holders entitled to vote or consent to any action by vote or consent authorized or permitted under this Indenture shall be determined as provided for in TIA § 316(c).

ARTICLE III

Covenants

SECTION 3.1. Payment of Notes. The Issuer shall promptly pay the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if by 10:00 a.m. (New York City time) on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Notes.

Notwithstanding anything to the contrary contained in this Indenture, the Issuer or any other payor may, to the extent it is required to do so by law, deduct or withhold income or other similar taxes imposed by the United States of America from principal or interest payments hereunder (and, in such event, shall timely pay such taxes to the applicable taxing authority).

SECTION 3.2. Reports and Other Information.

(a) So long as any Notes are outstanding, the Issuer shall provide to the Trustee and, upon request, to the Holders a copy of all of the information and reports referred to below:

(i) within 90 days after the end of each fiscal year (or such longer period as may be permitted by the SEC if the Issuer were then subject to SEC reporting requirements as a non-accelerated filer), annual audited financial statements for such fiscal year, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” with respect to the periods presented and a report on the annual financial statements by the Issuer’s independent registered public accounting firm (all of the foregoing financial information to be prepared on a basis substantially consistent with the corresponding financial information included in the Offering Memorandum);

(ii) within 45 days after the end of each of the first three fiscal quarters of each fiscal year (or such longer period as may be permitted by the SEC if the Issuer were then subject to SEC reporting requirements as a non-accelerated filer), unaudited financial statements for the interim period as of, and for the period ending on, the end of such fiscal quarter, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” (all of the foregoing financial information to be prepared on a basis substantially consistent with the corresponding financial information included in the Offering Memorandum); and

(iii) within the time period specified for filing current reports on Form 8-K by the SEC, current reports that would be required to be filed with the SEC on Form 8-K if the Issuer were required to file such reports for any of the following events: (a) significant acquisitions or dispositions, (b) the bankruptcy of the Issuer or a Significant Subsidiary, (c) the acceleration of any Indebtedness of the Issuer or any Restricted Subsidiary having a principal amount in excess of \$75.0 million, (d) a change in the Issuer’s certifying independent auditor, (e) the appointment or departure of the Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer, Chief Operating Officer or President (or persons fulfilling similar duties) of Holdings, (f) resignation of a director on disagreeable terms, (g) change in fiscal year, (h) non-reliance on previously issued financial statements, (i) change of control transactions, (j) entry into material agreements and (k) entry into material direct financial obligations; *provided* that no such current report will be required to be furnished if the Issuer or any direct or indirect parent of the Issuer determines in its good faith judgment that such event is not material to

Holders or to the business, assets, operations, financial position or prospects of the Issuer and its Restricted Subsidiaries, taken as a whole, or if the Issuer or any direct or indirect parent of the Issuer determines in its good faith judgment that such disclosure would otherwise cause material competitive harm to the business, assets, operations, financial position or prospects of the Issuer and its Restricted Subsidiaries, taken as a whole; *provided, further*, that such non-disclosure shall be limited only to those specific provisions that would cause material competitive harm and not the occurrence of the event itself;

provided, further, however, that in addition to providing such information to the Trustee and, upon request, Holders, the Issuer shall, to the extent the requirements set forth in Section 3.2(h) are satisfied, make available to the Holders, *bona fide* prospective investors in the Notes, *bona fide* market makers in the Notes affiliated with any Initial Purchaser and *bona fide* securities analysts (to the extent providing analysis of investment in the Notes) such information by (i) posting to the website of the Issuer (or any direct or indirect parent of the Issuer) or on a non-public, password-protected website maintained by the Issuer (or any direct or indirect parent of the Issuer) or a third party, in each case, within 15 days after the time the Issuer would be required to provide such information pursuant to clause (i), (ii) or (iii) above, as applicable, or (ii) otherwise providing substantially comparable availability of such reports (as determined in good faith by the Issuer or any direct or indirect parent of the Issuer) (it being understood that, without limitation, making such reports available on Bloomberg or another comparable private electronic information service shall constitute substantially comparable availability).

(b) Notwithstanding the foregoing, and for the avoidance of doubt, (i) the Issuer shall not be required to furnish any information, certificates or reports required by (A) Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 or 308 of Regulation S-K or (B) Regulation G or Item 10(e) of Regulation S-K promulgated by the SEC with respect to financial measures contained therein, (ii) the information and reports referred to in Section 3.2(a) will not be required to contain the separate financial statements or other information contemplated by Rule 3-05, Rule 3-09, Rule 3-10 or Rule 3-16 of Regulation S-X, (iii) to the extent *pro forma* financial information is required to be provided by the Issuer, the Issuer may provide only *pro forma* revenues, net income, EBITDA, Adjusted EBITDA (as such term is defined in the Offering Memorandum), senior secured debt, total debt and capital expenditures (or equivalent financial information) in lieu thereof, (iv) the information and reports referred to in Section 3.2(a) shall not be required to present compensation or beneficial ownership information, (v) the information and reports referred to in Section 3.2(a) shall not be required to include any exhibits required by Item 15 of Form 10-K, Item 6 of Form 10-Q or Item 9.01 of Form 8-K and (vi) trade secrets and other proprietary information may be excluded from any disclosures. If at any time the Issuer or any direct or indirect parent of the Issuer has made a good faith determination to file a registration statement with the SEC with respect to an Equity Offering of such entity's Capital Stock, the Issuer will still be required to provide reports pursuant to this Section 3.2, but the content of such reports will not be required to disclose any information that, in the good faith view of the Issuer or any direct or indirect parent of the Issuer, would violate the securities laws or the SEC's "gun jumping" rules or otherwise have an adverse effect on such Equity Offering.

(c) For so long as the Issuer has designated certain of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by Section 3.2(a) will include a reasonably detailed presentation (which need not be audited or reviewed by the auditors), either on the face of the financial statements or in the notes thereto, or in the "Management's Discussion and Analysis of Financial Condition and Results of Operations" or other comparable section, of the financial condition and results of operations of the Issuer and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Issuer.

(d) In addition, to the extent not satisfied by the foregoing, the Issuer agrees that, for so long as any Notes are outstanding, the Issuer shall furnish to Holders, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision).

(e) Notwithstanding the foregoing, the financial statements, information, auditors' reports and other documents required to be provided as described above, may be, rather than those of the Issuer, those of (i) any predecessor or successor of the Issuer or any entity meeting the requirements of clause (ii) or (iii) of this Section 3.2(e), (ii) any Wholly Owned Subsidiary of the Issuer that, together with its consolidated Subsidiaries, constitutes substantially all of the assets of the Issuer and its consolidated Subsidiaries ("Qualified Reporting Subsidiary") or (iii) any direct or indirect parent of the Issuer; *provided* that, if the financial information so furnished relates to such Qualified Reporting Subsidiary of the Issuer or such direct or indirect parent of the Issuer, the same is accompanied by consolidating information, which may be posted to the website of the Issuer (or any direct or indirect parent of the Issuer) or on a non-public, password-protected website maintained by the Issuer (or any direct or indirect parent of the Issuer) or a third party, that explains in reasonable detail the differences between the information relating to such Qualified Reporting Subsidiary or such parent entity (as the case may be), on the one hand, and the information relating to the Issuer and its Restricted Subsidiaries on a standalone basis, on the other hand. For the avoidance of doubt, the consolidating information referred to in the proviso in the preceding sentence need not be audited or reviewed by the auditors.

(f) The Issuer will be deemed to have satisfied the information and reporting requirements of Section 3.2(a) if (i) the Issuer or any Qualified Reporting Subsidiary of the Issuer or any direct or indirect parent of the Issuer has filed reports or registration statements containing such information (including the information required pursuant to the first sentence of Section 3.2(e)), which, for the avoidance of doubt, need not be filed with the SEC via EDGAR to the extent it is otherwise provided to Holders pursuant to this Section 3.2 with the SEC via the EDGAR (or successor) filing system within the applicable time periods after giving effect to any extensions permitted by the SEC and that are publicly available or (ii) with respect to the Holders only, the Issuer or such Qualified Reporting Subsidiary or such parent entity has made such reports available electronically (including by posting to a non-public, password-protected website as provided above) pursuant to this Section 3.2. Notwithstanding the foregoing, the Trustee shall have no obligation to monitor or confirm, on a continuing basis or otherwise, whether the Issuer or another Qualified Reporting Subsidiary posts such reports, information and documents on the EDGAR filing system (or any successor system) or collect any such information from the EDGAR filing system (or successor system).

(g) So long as Notes are outstanding, the Issuer shall also:

(i) promptly after furnishing to the Trustee the annual and quarterly reports required by Sections 3.2(a)(i) and 3.2(a)(ii), hold a conference call to discuss such reports and the results of operations for the relevant reporting period; *provided, however*, that the Issuer will be deemed to have satisfied the requirements of this clause (i) if any direct or indirect parent of the Issuer holds a conference call to discuss such reports and results of operations for the relevant reporting period; and

(ii) announce by press release or post to the website of the Issuer (or any direct or indirect parent of the Issuer) or on a non-public, password-protected website maintained by the Issuer (or any direct or indirect parent of the Issuer) or a third party, which may require a confidentiality acknowledgment (but not restrict the recipients of such information from trading securities of the Issuer or its Affiliates), prior to the date of the conference call required to be held in accordance with Section 3.2(g)(i), the time and date of such conference call and

either all information necessary to access the call or informing Holders, *bona fide* prospective investors in the Notes, *bona fide* market makers in the Notes affiliated with any Initial Purchaser and *bona fide* securities analysts (to the extent providing analysis of an investment in the Notes) how they can obtain such information, including, without limitation, the applicable password or other login information.

(h) Any person who requests or accesses such financial information or seeks to participate in any conference calls required by this Section 3.2 may be required to provide its email address, employer name and other information reasonably requested by the Issuer and represent to the Issuer (to the Issuer's reasonable good faith satisfaction) that:

(i) it is a Holder, a beneficial owner of the Notes, a *bona fide* prospective investor in the Notes, a *bona fide* market maker in the Notes affiliated with any Initial Purchaser or a *bona fide* securities analyst providing an analysis of investment in the Notes;

(ii) it will not use the information in violation of applicable securities laws or regulations;

(iii) it will keep such provided information confidential and will not communicate the information to any Person; and

(a) (1) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) or issue any shares of Disqualified Stock, and (2) the Issuer will not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock; *provided, however*, that the Issuer and any Restricted Subsidiary may Incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock and any Restricted Subsidiary may issue shares of Preferred Stock, in each case if the Fixed Charge Coverage Ratio of the Issuer and its Restricted Subsidiaries, calculated as of the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued, would have been 2.00 to 1.00 or greater ("Ratio Debt"); *provided, further*, that the aggregate amount of Indebtedness (including Acquired Indebtedness) that may be Incurred and Disqualified Stock or Preferred Stock that may be issued pursuant to the foregoing by Non-Guarantor Subsidiaries shall not exceed the greater of (x) \$500.0 million and (y) 26.0% of Four Quarter Consolidated EBITDA at any one time outstanding.

(b) The foregoing limitations will not apply to (collectively, “Permitted Debt”):

(i) the Incurrence or issuance by the Issuer or its Restricted Subsidiaries of Indebtedness under any Credit Agreement, the guarantees thereof and the issuance and creation of letters of credit, bankers’ acceptances and ancillary facilities thereunder (with letters of credit and bankers’ acceptances being deemed to have a principal amount equal to the face amount thereof) up to an aggregate outstanding principal amount not to exceed at any one time outstanding:

(B) the Cash Capped Grower Amount;

(C) the greater of (x) \$1,000.0 million and (y) the Borrowing Base as of the date of such Incurrence; and

(D) the Maximum Incremental Leverage Amount; *plus*, in the case of any refinancing of any Indebtedness permitted under this clause (i) or any portion thereof, any Refinancing Expenses;

provided that any calculation under subclause (D) will give *pro forma* effect to the Incurrence of Indebtedness on such date under subclause (A) (other than amounts that were previously borrowed under subclause (A) that have been voluntarily prepaid, repaid or repurchased) but not to any other Incurrence of Indebtedness, Disqualified Stock or Preferred Stock on such date in reliance on any non-ratio-based basket set forth in this Indenture, including under this clause (b)(i);

(ii) the Incurrence by the Issuer and the Guarantors of Indebtedness represented by the Notes (not including any Additional Notes) and the Guarantees thereof, as applicable;

not be subject to the foregoing limitation so long as the proceeds of such Sale/Leaseback Transaction are used by the Issuer or such Restricted Subsidiary to permanently repay outstanding Obligations under any Parity Lien Indebtedness (it being understood that any Indebtedness, Disqualified Stock or Preferred Stock Incurred pursuant to this clause (iv) shall cease to be deemed Incurred and outstanding pursuant to this clause (iv) but shall be deemed Incurred and outstanding as Ratio Debt from and after the first date on which the Issuer or such Restricted Subsidiary, as the case may be, could have Incurred such Indebtedness, Disqualified Stock or Preferred Stock as Ratio Debt (to the extent the Issuer or any of its Restricted Subsidiaries is able to Incur any Liens related thereto as Permitted Liens after such reclassification));

(v) Indebtedness Incurred or Disqualified Stock issued by the Issuer or any of its Restricted Subsidiaries and Preferred Stock issued by its Restricted Subsidiaries constituting reimbursement obligations with respect to letters of credit or bank guarantees or similar instruments issued in the ordinary course of business, including, without limitation, (x) letters of credit or performance or surety bonds in respect of workers' compensation claims, health, disability or other employee benefits (whether current or former) or property, casualty or liability insurance or self-insurance, or other Indebtedness with respect to reimbursement-type obligations regarding workers' compensation claims, health, disability or other employee benefits (whether current or former) or property, casualty or liability insurance and (y) guarantees of Indebtedness Incurred by customers in connection with the purchase or other acquisition of equipment or supplies in the ordinary course of business;

(vii) Indebtedness or Disqualified Stock of the Issuer owing or issued to a Restricted Subsidiary; *provided* that (x) such Indebtedness or Disqualified Stock owing or issued to a Non-Guarantor Subsidiary shall be subordinated in right of payment to the Issuer's Obligations with respect to this Indenture and (y) any subsequent issuance or transfer of any Capital Stock or any other event that results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness or Disqualified Stock (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an Incurrence of such Indebtedness or an issuance of such Disqualified Stock not permitted by this clause (vii);

(viii) shares of Preferred Stock of a Restricted Subsidiary issued to the Issuer or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event that results in any Restricted Subsidiary that holds such shares of Preferred Stock of another Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of shares of Preferred Stock not permitted by this clause (viii);

(ix) Indebtedness, Disqualified Stock or Preferred Stock of a Restricted Subsidiary owing to the Issuer or another Restricted Subsidiary; *provided that* (x) if a Subsidiary Guarantor Incurs such Indebtedness, Disqualified Stock or Preferred Stock owing or issued to a Non-Guarantor Subsidiary, such Indebtedness, Disqualified Stock or Preferred Stock is subordinated in right of payment to the Guarantee of such Subsidiary Guarantor, and (y) any subsequent issuance or transfer of any Capital Stock or any other event that results in any Restricted Subsidiary lending or holding such Indebtedness, Disqualified Stock or Preferred Stock ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness, Disqualified Stock or Preferred Stock (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an Incurrence of such Indebtedness, Disqualified Stock or Preferred Stock not permitted by this clause (ix);

(x) Swap Contracts or Cash Management Services Incurred (including, without limitation, in connection with any Qualified Receivables Financing) other than for speculative purposes;

(xxxii) Indebtedness, Disqualified Stock or Preferred Stock consisting of obligations of the Issuer or any Restricted Subsidiary under deferred compensation or other similar arrangements incurred by such Person in connection with the ARRIS Acquisition or any Permitted Investment;

(xxxiiii) Indebtedness, Disqualified Stock or Preferred Stock Incurred or deemed Incurred in the ordinary course of business in connection with supply-chain financing programs or similar arrangements.

(c) For purposes of determining compliance with this Section 3.3, in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of Permitted Debt or is entitled to be Incurred or issued as Ratio Debt, the Issuer shall, in its sole discretion, at the time of Incurrence or issuance, divide, classify or reclassify, or at any later time divide, classify or reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) in any manner that complies with this Section 3.3; *provided* that all Indebtedness under the Term Loan Credit Agreement Incurred on or prior to the Issue Date shall be deemed to have been Incurred pursuant to Section 3.3(b)(i)(A) and the Issuer shall not be permitted to reclassify all or any portion of the Indebtedness Incurred on or prior to the Issue Date pursuant to Section 3.3(b)(i)(A). Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest or dividends in the form of additional

Indebtedness with the same terms, the payment of dividends on Disqualified Stock or Preferred Stock in the form of additional shares of Disqualified Stock or Preferred Stock of the same class, the accretion of Maximum Fixed Repurchase Price and increases in the amount of Indebtedness, Disqualified Stock or Preferred Stock outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness, Disqualified Stock or Preferred Stock will not be deemed to be an Incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock for purposes of this Section 3.3. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that are otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided* that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 3.3.

For purposes of calculating any ratio-based basket, with respect to any revolving Indebtedness, delayed draw facility or other committed debt financing Incurred under such ratio-based basket, the Issuer may elect (which election may not be changed with respect to such Indebtedness), at any time, to either (x) give *pro forma* effect to the Incurrence of the entire committed amount of such Indebtedness, in which case such committed amount may thereafter be borrowed or reborrowed, in whole or in part, from time to time, without further compliance with any ratio-based component of any provision of this Indenture, or (y) give *pro forma* effect to the Incurrence of the actual amount drawn under such revolving Indebtedness, delayed draw facility or other committed debt financing, in which case, the ability to Incur the amounts committed to under such Indebtedness will be subject to such ratio-based basket (to the extent being Incurred pursuant to such ratio) at the time of each such Incurrence. Notwithstanding anything in this Indenture to the contrary, unless the Issuer elects otherwise, if, on any date, the Issuer or any of its Restricted Subsidiaries in connection with any transaction or series of related transactions (A) Incurs Indebtedness or issues Disqualified Stock or Preferred Stock as permitted by a ratio-based basket and (B) Incurs Indebtedness or issues Disqualified Stock or Preferred Stock under a non-ratio-based basket (other than, with respect to the Maximum Incremental Leverage Amount, any Indebtedness Incurred pursuant to Section 3.3(b)(i)(A) (other than amounts that were previously borrowed under Section 3.3(b)(i)(A) that have been voluntarily prepaid, repaid or repurchased)), then the applicable ratio will be calculated on such date with respect to any Incurrence under the applicable ratio-based basket without giving effect to the Incurrence under such non-ratio-based basket made in connection with such transaction or series of related transactions.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness or the issuance of Disqualified Stock or Preferred Stock, the U.S. dollar-equivalent principal amount or Maximum Fixed Repurchase Price, as applicable, of Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. dollar-equivalent), in the case of revolving credit debt or debt financing to fund an acquisition, or first issued, in the case of Disqualified Stock or Preferred Stock; *provided* that if such Indebtedness, Disqualified Stock or Preferred Stock is Incurred or issued to refinance other Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount or Maximum Fixed Repurchase Price, as applicable, of such Refinancing Indebtedness does not exceed the principal amount or Maximum Fixed Repurchase Price, as applicable, of such Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, being refinanced (*plus* any Refinancing Expenses).

The principal amount of any Indebtedness Incurred and Maximum Fixed Repurchase Price of any Disqualified Stock or Preferred Stock issued to refinance other Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, if Incurred or issued in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness, Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing.

SECTION 3.4. Limitation on Restricted Payments.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(i) declare or pay any dividend or make any payment or distribution on account of the Issuer's or any of its Restricted Subsidiaries' Equity Interests, including any payment made in connection with any merger, amalgamation or consolidation involving the Issuer (other than (A) dividends or distributions by the Issuer payable solely in Equity Interests (other than Disqualified Stock) of the Issuer; or (B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly Owned Restricted Subsidiary, the Issuer or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities);

(ii) purchase, redeem, defease or otherwise acquire or retire for value any Equity Interests of the Issuer or any direct or indirect parent of the Issuer, including in connection with any merger, amalgamation or consolidation;

(iii) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case, prior to any scheduled repayment, sinking fund payment or maturity, any Subordinated Indebtedness of the Issuer or any Subsidiary Guarantor (other than the payment, redemption, repurchase, defeasance, acquisition or retirement of (A) Subordinated Indebtedness of the Issuer or any Subsidiary Guarantor in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such payment, redemption, repurchase, defeasance, acquisition or retirement and (B) Indebtedness permitted under Section 3.3(b)(vii), Section 3.3(b)(viii) or 3.3(b)(ix)); or

(iv) make any Restricted Investment

(all such payments and other actions set forth in clauses (i) through (iv) above being collectively referred to as "Restricted Payments"), unless, at the time of such Restricted Payment:

(A) (x) in the case of a Restricted Investment, no Specified Event of Default shall have occurred and be continuing or would occur as a consequence thereof, and (y) in the case of any other Restricted Payment, no Event of Default shall have occurred and be continuing or would occur as a consequence thereof;

(B) immediately after giving effect to such transaction on a Pro Forma Basis, the Issuer could Incur \$1.00 of additional Indebtedness as Ratio Debt; and

(C) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Issuer and its Restricted Subsidiaries after the Acquisition Closing Date (including Restricted Payments permitted by Section 3.4(b)(i)), but excluding all other Restricted Payments permitted by Section 3.4(b), is less than the sum of, without duplication:

(1) the greater of (x) \$900.0 million and (y) 46.5% of Four Quarter Consolidated EBITDA; *plus*

(v) the declaration and payment of dividends or distributions to holders of any class or series of Disqualified Stock of the Issuer or any of its Restricted Subsidiaries or any class or series of Preferred Stock of any Restricted Subsidiaries issued or Incurred in accordance with Section 3.3;

(d) [reserved];

(e) pay franchise and excise taxes and other fees, taxes (including Related Taxes) and expenses in connection with any ownership of the Issuer or any of its Subsidiaries or required to maintain their organizational existences;

(f) make payments for the benefit of the Issuer or any of its Restricted Subsidiaries to the extent such payments could have been made by the Issuer or any of its Restricted Subsidiaries because such payments (x)(i) would not otherwise be Restricted Payments or (ii) would be Restricted Payments that would be permitted to be made by the Issuer or any of its Restricted Subsidiaries pursuant to this Section 3.4 (*provided* that any payment made pursuant to this subclause (f)(x)(ii) shall, if applicable, reduce capacity under the Restricted Payment exception or basket that would have been utilized if such Restricted Payment were made directly by the Issuer or such Restricted Subsidiaries) and (y) would be permitted by Section 3.8; and

(g) make Restricted Payments to any direct or indirect parent of the Issuer to finance, or to any direct or indirect parent of the Issuer for the purpose of paying to any other direct or indirect parent of the Issuer to finance, any Investment that, if consummated by the Issuer or any Restricted Subsidiary, would be a Permitted Investment; *provided* that (i) such Restricted Payment is made substantially concurrently with the closing of such Investment and (ii) promptly following the closing thereof, such direct or indirect parent of the Issuer causes (x) all property acquired (whether assets or Equity Interests) to be contributed to the Issuer or any Restricted Subsidiary or (y) the merger, consolidation or amalgamation (to the extent permitted by [Section 4.1](#)) of the Person formed or acquired into the Issuer or any Restricted Subsidiary in order to consummate such acquisition or Investment, in each case, in accordance with the requirements of [Section 3.11](#);

(xix) Investments in Unrestricted Subsidiaries having an aggregate Fair Market Value, taken together with all other Investments made pursuant to this clause (xix) that are at the time outstanding, without giving effect to the sale of an Unrestricted Subsidiary to the extent the proceeds of such sale do not consist of cash, Cash Equivalents or marketable securities, not to exceed the greater of (x) \$300.0 million and (y) 15.5% of Four Quarter Consolidated EBITDA (with the Fair Market Value of each Investment being measured at the time made and without giving effect to subsequent changes in value);

(xx) [reserved];

(xxi) any Restricted Payment so long as immediately after giving effect to the making of such Restricted Payment, the Consolidated Total Net Leverage Ratio does not exceed 3.75 to 1.00;

(xxii) so long as no Event of Default has occurred and is continuing or would result therefrom, any dividend, distribution, redemption or other Restricted Payment made with any Leverage Excess Proceeds;

(xxiii) the declaration and payment of dividends or distributions to the holders of the Preferred Equity, or to the Issuer or any direct or indirect parent of the Issuer, the proceeds of which will be used to fund the payment of dividends or distributions to holders of the Preferred Equity pursuant to its terms; *provided, however*, that the aggregate amount of dividends declared and paid pursuant to this clause (xxiii) shall not exceed the aggregate amount of dividends that may be paid in cash as contemplated by the terms of the definitive documentation for the Preferred Equity as in effect on the Acquisition Closing Date;

(xxiv) any payment that is intended to prevent any Indebtedness from being treated as an “applicable high yield discount obligation” within the meaning of Section 163(i)(1) of the Code; and

(xxv) the payment of any dividend or distribution made to repurchase, redeem, retire or otherwise acquire Equity Interests of the Issuer or any direct or indirect parent of the Issuer under any share repurchase plan; *provided*, that the aggregate amount of Restricted Payments made under this clause (xxv) does not exceed \$125.0 million in any calendar year (with unused amounts in any calendar year being permitted to be carried over to succeeding calendar years subject to a maximum of \$250.0 million in any calendar year);

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clause (x), (xxi) or (xxv) of this Section 3.4(b), no Event of Default shall have occurred and be continuing or would occur as a consequence thereof. For purposes of clauses (xii) and (xiii) of this Section 3.4(b), taxes and Related Taxes shall include all interest and penalties with respect thereto and all additions thereto.

As of the Issue Date, all of the Issuer’s Subsidiaries will be Restricted Subsidiaries. The Issuer will not permit any Restricted Subsidiary to become an Unrestricted Subsidiary except pursuant to the definition of “Unrestricted Subsidiary.” For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Issuer and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Restricted Payments or Permitted Investments in an amount determined as set forth in the last sentence of the definition of “Investments.” Such designation will only be permitted if a Restricted Payment or Permitted Investment in such amount would be permitted at such time and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. Unrestricted Subsidiaries will not be subject to any of the restrictive covenants set forth in this Indenture.

For purposes of this Section 3.4, if any Investment or Restricted Payment (or a portion thereof) would be permitted pursuant to one or more provisions described above and/or one or more of the exceptions contained in the definition of “Permitted Investments,” the Issuer may divide and classify such Investment or Restricted Payment (or a portion thereof) in any manner that complies with this Section 3.4 and may later divide and reclassify any such Investment or Restricted Payment so long as the Investment or Restricted Payment (as so divided and/or reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification. In addition, for purposes of this Section 3.4, any Restricted Payment permitted hereunder may, at the option of the Issuer or its Restricted Subsidiaries, be structured in the form of a loan or other Investment. If the Issuer or any Restricted Subsidiary makes a Restricted Payment that, at the time of the making of such Restricted Payment, in the good faith determination of the Issuer or any direct or indirect parent of the Issuer, would be permitted under this Indenture, such Restricted Payment shall be deemed to have been made in compliance with this Indenture notwithstanding any subsequent adjustments made in good faith to the financial statements of the Issuer (or any direct or indirect parent of the Issuer) affecting Consolidated Net Income.

SECTION 3.5. Liens.

(a) Prior to an Election Date and following any Reversion Date thereafter, the Issuer will not, and will not permit any Subsidiary Guarantor to, directly or indirectly, create or Incur any Lien securing Indebtedness (other than Permitted Liens) on any asset or property of the Issuer or such Subsidiary Guarantor. If the Issuer or any Subsidiary Guarantor creates any Lien upon any property or assets that are not at such time Collateral to secure any Priority Lien Indebtedness or Parity Lien Indebtedness, it must concurrently grant a first-priority Lien upon such property or assets that would constitute Fixed Asset Collateral or a second-priority Lien upon such property or assets that would constitute Current Asset Collateral as security for the Notes or the applicable Guarantee, such that the property or assets subject to such Lien will constitute Collateral under this Indenture and the Security Documents, subject, in each case, to local law limitations and Permitted Liens.

(b) Following a Covenant Suspension Event, the Issuer may elect by written notice to the Trustee to be subject to this Section 3.5(b) with respect to the limitation on Liens in lieu of Section 3.5(a) (the date such notice is delivered, the "Election Date"). Under this alternative covenant, from and after an Election Date and until a Reversion Date thereafter, the Issuer will not, and will not permit any of its Principal Property Subsidiaries to, directly or indirectly, create or Incur any Lien securing Indebtedness on any (1) Restricted Property or (2) shares of Capital Stock or evidence of Indebtedness for borrowed money issued by any Principal Property Subsidiary, whether owned at the Issue Date or thereafter acquired, without making effective provision, and the Issuer in such case will make or cause to be made effective provision, whereby the Notes and the applicable Guarantees shall be secured by such Lien equally and ratably with any and all other Indebtedness thereby secured, for so long as such Indebtedness shall be so secured; *provided, however*, that the foregoing shall not apply to any of the following:

(1) Liens that exist on the date of the Covenant Suspension Event;

(2) Liens on property, shares of Capital Stock or evidence of Indebtedness of any corporation existing at the time such corporation becomes a Subsidiary Guarantor;

(3) Liens in favor of the Issuer or any Guarantor;

(4) Liens in favor of governmental bodies to secure progress, advance or other payments pursuant to contract or statute or Indebtedness incurred to finance all or a part of construction of or improvements to property subject to such Liens;

(5) Liens (i) on property, shares of Capital Stock or evidences of Indebtedness for borrowed money existing at the time of acquisition thereof (including acquisition through merger, amalgamation or consolidation) and construction and improvement Liens that are entered into within one year from the date of such construction or improvement (*provided* that in the case of construction or improvement the Lien shall not apply to any property theretofore owned by the Issuer or any Subsidiary Guarantor except substantially unimproved real property on which the property so constructed or the improvement is located) and (ii) for the acquisition of any real property, which Liens are created within 180 days after the completion of such acquisition to secure or provide for the payment of the purchase price of the real property acquired; *provided* that, with respect to subclauses (i) and (ii) of this Section 3.5(b)(5), any such Liens do not extend to any other property of the Issuer or any of the Subsidiary Guarantors (whether such property is then owned or thereafter acquired);

(6) mechanics', landlords' and similar Liens arising in the ordinary course of business in respect of obligations not due or being contested in good faith;

(7) Liens for taxes, assessments or governmental charges or levies that are not delinquent or are being contested in good faith;

(8) Liens arising from any legal proceedings that are being contested in good faith;

(9) any Liens that (i) are incidental to the ordinary conduct of its business or the ownership of its properties and assets, including Liens incurred in connection with workmen's compensation, unemployment insurance or other forms of governmental insurance or benefits, or to secure performance of tenders, statutory obligations, leases and contracts, (ii) were not incurred in connection with the borrowing of money or the obtaining of advances or credit and (iii) do not in the aggregate materially detract from the value of the property of the Issuer or any Subsidiary Guarantor or materially impair the use thereof in the operation of its business; and

(10) Liens for the sole purpose of extending, renewing or replacing (or unsuccessfully extending, renewing or replacing) in whole or in part any of the foregoing.

(c) Notwithstanding the provisions of Section 3.5(b), from and after an Election Date and until a Reversion Date thereafter, the Issuer or any Subsidiary may, without equally and ratably securing the Notes and the Guarantees, create or Incur Liens that would otherwise be subject to the foregoing restrictions if, at the time of such creation or Incurrence, and after giving effect thereto, Exempted Indebtedness does not exceed 10.0% of Consolidated Net Tangible Assets.

(d) Any Lien that is granted to secure the Notes or the applicable Guarantee pursuant to Section 3.5(a), 3.5(b) or 3.5(c) shall be automatically and unconditionally released and discharged at the same time as the release of the Lien that gave rise to the obligation to secure the Notes or such Guarantee under the applicable preceding paragraphs (other than a release as a result of the enforcement of remedies in respect of such Lien or the Obligations secured by such Lien).

(e) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "Increased Amount" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or Maximum Fixed Repurchase Price, any fees, underwriting discounts, accrued and unpaid interest, premiums and other costs and expenses incurred in connection therewith and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

SECTION 3.6. Dividend and Other Payment Restrictions Affecting Subsidiaries.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries (other than the Subsidiary Guarantors) to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary (other than the Subsidiary Guarantors) to:

(A) (i) pay dividends or make any other distributions to the Issuer or any of its Restricted Subsidiaries on its Capital Stock; or (ii) pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;

(B) make loans or advances to the Issuer or any of its Restricted Subsidiaries; or

(C) sell, lease or transfer any of its properties or assets to the Issuer or any of its Restricted Subsidiaries.

(b) However, the preceding restrictions will not apply to encumbrances or restrictions existing under or by reason of:

(i) contractual encumbrances or restrictions of the Issuer or any of its Restricted Subsidiaries in effect on the Issue Date, including pursuant to the Senior Credit Agreements and the other documents relating to the Senior Credit Agreements, related Swap Contracts, the Existing Indentures, the Existing Notes, the related guarantees and the other documents relating to the Existing Indentures and Indebtedness permitted pursuant to Section 3.3(b)(iii);

(ii) this Indenture, the Notes, the Guarantees, the Security Documents, the Intercreditor Agreements and other documents relating to this Indenture, the Notes, the Guarantees, the Security Documents and the Intercreditor Agreements;

(iii) applicable law or any applicable rule, regulation or order;

(iv) any agreement or other instrument of a Person acquired by or merged, amalgamated or consolidated with or into the Issuer or any Restricted Subsidiary or an Unrestricted Subsidiary that is designated a Restricted Subsidiary that was in existence at the time of such acquisition (or at the time it merges with or into the Issuer or any Restricted Subsidiary or assumed in connection with the acquisition of assets from such Person (but, in each case, not created in contemplation thereof)), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired or designated; *provided* that in connection with a merger, amalgamation or consolidation under this clause (iv), if a Person other than the Issuer or such Restricted Subsidiary is the successor company with respect to such merger, amalgamation or consolidation, any agreement or instrument of such Person or any Subsidiary of such Person, shall be deemed acquired or assumed, as the case may be, by the Issuer or such Restricted Subsidiary, as the case may be, at the time of such merger, amalgamation or consolidation;

(v) customary encumbrances or restrictions contained in contracts or agreements for the sale of assets applicable to such assets pending consummation of such sale, including customary restrictions with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of Capital Stock or assets of such Restricted Subsidiary;

(vi) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(vii) customary provisions in (x) joint venture agreements or arrangements and other similar agreements or arrangements relating solely to the applicable joint venture and (y) operating or other similar agreements, asset sale agreements and stock sale agreements entered into in connection with the entering into of such transaction, which limitation is applicable only to the assets that are the subject of those agreements;

(viii) purchase money obligations for property acquired and Capitalized Lease Obligations, to the extent such obligations impose restrictions of the nature discussed in clause (c) in the first paragraph of this Section 3.6 on the property so acquired;

(ix) customary provisions contained in leases, sub-leases, licenses, sublicenses, contracts and other similar agreements entered into in the ordinary course of business to the extent such obligations impose restrictions of the type described in clause (c) in the first paragraph of this Section 3.6 on the property subject to such lease;

(x) any encumbrance or restriction effected in connection with a Qualified Receivables Factoring or a Qualified Receivables Financing that, in the good faith determination of the Issuer or any direct or indirect parent of the Issuer, is necessary or advisable to effect such Qualified Receivables Factoring or Qualified Receivables Financing;

(xi) any encumbrance or restriction contained in other Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or any Restricted Subsidiary that is Incurred subsequent to the Issue Date pursuant to Section 3.3; *provided* that such encumbrances and restrictions will not materially affect the Issuer's ability to make anticipated principal or interest payments on the Notes (as determined in good faith by the Issuer or any direct or indirect parent of the Issuer);

(xii) any encumbrance or restriction contained in Secured Indebtedness otherwise permitted to be Incurred pursuant to Sections 3.3 and 3.5 to the extent limiting the right of the debtor to dispose of the assets securing such Indebtedness;

(xiii) any encumbrance or restriction arising or agreed to in the ordinary course of business, not relating to any Indebtedness, and that does not, individually or in the aggregate, (x) detract from the value of the property or assets of the Issuer or any Restricted Subsidiary in any manner material to the Issuer or any Restricted Subsidiary or (y) materially affect the Issuer's ability to make future principal or interest payments on the Notes, in each case, as determined in good faith by the Issuer or any direct or indirect parent of the Issuer;

(xiv) any encumbrance or restriction existing under, by reason or with respect to Refinancing Indebtedness; *provided* that such encumbrances and restrictions, taken as a whole, are not materially less favorable to the holders than the encumbrances and restrictions contained in the agreements governing the Indebtedness being refinanced (as determined in good faith by the Issuer or any direct or indirect parent of the Issuer); and

(xv) any encumbrance or restriction imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in the immediately preceding clauses (i) through (xiv) of Section 3.6(b); *provided* that such encumbrances and restrictions contained in any such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing are, in the good faith judgment of the Issuer or any direct or indirect parent of the Issuer, not materially more restrictive, taken as a whole, than the encumbrances and restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

(c) For purposes of determining compliance with this Section 3.6, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Issuer or a Restricted Subsidiary to other Indebtedness Incurred by the Issuer or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

SECTION 3.7. Asset Sales.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless:

(i) the Issuer or any of its Restricted Subsidiaries, as the case may be, receives consideration (including by way of relief from, or by any other person assuming responsibility for, any liabilities, contingent or otherwise) at the time of such Asset Sale at least equal to the Fair Market Value (as determined in good faith by the Issuer or any direct or indirect parent of the Issuer) of the assets sold or otherwise disposed of; and

(ii) except in the case of a Permitted Asset Swap, at least 75.0% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents or Replacement Assets; *provided* that the amount of:

(1) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's balance sheet or in the notes thereto for the most recent period ended on or prior to such time in respect of which financial statements are internally available or, if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Issuer's or such Restricted Subsidiary's balance sheet or in the notes thereto if such incurrence or accrual had taken place on or prior to the date of such balance sheet in the good faith determination of the Issuer or any direct or indirect parent of the Issuer) of the Issuer or such Restricted Subsidiary (other than liabilities that are by their terms subordinated to the Notes) that are extinguished in connection with the transactions relating to such Asset Sale, or that are assumed by the transferee of any such assets or Equity Interests, in each case, pursuant to an agreement that releases or indemnifies the Issuer or such Restricted Subsidiary, as the case may be, from further liability;

(2) any notes or other obligations or other securities or assets received by the Issuer or such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received), in each case, within 180 days of the receipt thereof; and

(3) any Designated Non-cash Consideration received by the Issuer or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this subclause (3) that is at that time outstanding, not to exceed the greater of (x) \$450.0 million and (y) 23.5% of Four Quarter Consolidated EBITDA, calculated at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value);

shall each be deemed to be Cash Equivalents for the purposes of this clause (ii).

(b) Within 455 days after the Issuer's or any Restricted Subsidiary's receipt of the Net Cash Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary may apply an amount equal to the Net Cash Proceeds from such Asset Sale, at its option:

(i) to reduce Obligations under Priority Lien Indebtedness and, in the case of revolving loans, to correspondingly reduce commitments with respect thereto;

(ii) to reduce Obligations under (x) Parity Lien Indebtedness of the Issuer or the Guarantors, including the Notes and the Existing Secured Notes, and, if the assets or property disposed of in the Asset Sale were not Collateral, Pari Passu Indebtedness, including the Existing Notes, and, in the case of revolving loans, to correspondingly reduce commitments with respect thereto (*provided* that if the Issuer or any Guarantor shall so reduce such Obligations other than the Notes, the Issuer shall (A) ratably reduce Obligations under the Notes as provided in Section 5.1 or through open-market purchases (to the extent such purchases are at or above 100.0% of the principal amount thereof) or (B) make an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase at a purchase price equal to 100.0% of the principal amount thereof, *plus* accrued and unpaid interest, if any, the principal amount of Notes that would otherwise be redeemed under subclause (A) above), or (y) if the assets or property disposed of in the Asset Sale were not Collateral, Indebtedness of a Non-Guarantor Subsidiary, in each case, other than Indebtedness owed to the Issuer or another Restricted Subsidiary (and, in the case of revolving loans, to correspondingly reduce commitments with respect thereto);

(iii) to make an investment in any one or more businesses, assets (other than working capital assets), or property or capital expenditures, in each case used or useful in a Similar Business;

(iv) to make an investment (including capital expenditures) in any one or more businesses, properties (other than working capital assets) or assets (other than working capital assets) that replace the businesses, properties and/or assets that are the subject of such Asset Sale; or

(v) any combination of the foregoing;

provided that the Issuer and its Restricted Subsidiaries will be deemed to have complied with the provisions described in clause (iii) or (iv) of this Section 3.7(b) if and to the extent that, within 455 days after the Asset Sale that generated the Net Cash Proceeds, the Issuer or such Restricted Subsidiary, as applicable, has entered into and not abandoned or rejected a binding agreement to make an investment in compliance with the provision described in clause (iii) or (iv) of this Section 3.7(b), and that investment is thereafter completed within 180 days after the end of such 455-day period (such 455-day period, as extended pursuant to this paragraph, the "Proceeds Application Period").

(c) Pending the final application of any such amount of Net Cash Proceeds, the Issuer or such Restricted Subsidiary may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest or utilize such Net Cash Proceeds in any manner not prohibited by this Indenture and the Security Documents.

(d) If, with respect to any Asset Sale, at the expiration of the Proceeds Application Period with respect to such Asset Sale, there remains an amount of Net Cash Proceeds in excess of the greater of (x) \$50.0 million and (y) 2.5% of Four Quarter Consolidated EBITDA (such amount of remaining Net Cash Proceeds in excess of the greater of \$50.0 million and 2.5% of Four Quarter Consolidated EBITDA, "Excess Proceeds"), then subject to the limitations described below with respect to Foreign Dispositions, the Issuer shall make an offer (an "Asset Sale Offer") no later than ten Business Days after the expiration of the Proceeds Application Period to all Holders and, if required by the terms of any Parity Lien Indebtedness and, if the asset or property disposed of in the Asset Sale was not Collateral, Pari Passu Indebtedness, to all holders of such Indebtedness, as applicable, to purchase the maximum principal amount of such Notes, Parity Lien Indebtedness and Pari Passu Indebtedness, as applicable, on a pro rata basis, that may be purchased out of such Excess Proceeds, if any, at an offer price, in the case of the Notes, in cash in an amount equal to 100.0% of the principal amount thereof (or in the event such other Indebtedness was issued with original issue discount, 100.0% of the accreted value thereof), plus accrued and unpaid interest, if any (or such lesser price with respect to Parity Lien Indebtedness or Pari Passu Indebtedness, if any, as may be provided by the terms of such Indebtedness), to (but not including) the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture and the agreements governing such Parity Lien Indebtedness and Pari Passu Indebtedness, as applicable; provided that any amount of proceeds offered to holders pursuant to clause (b)(ii)(x) of this Section 3.7 or pursuant to an Asset Sale Offer made at any time after the Asset Sale shall, upon completion of any such offer, be deemed to have been applied as required and shall not be deemed to be Excess Proceeds without regard to the extent to which such offer is accepted by the holders thereof; provided, further, that the Issuer shall only be required to make an Asset Sale Offer with an amount equal to the Applicable Percentage of the Excess Proceeds (any Excess Proceeds not required to be offered in an Asset Sale Offer in reliance on this sentence (i.e., such 50.0% or 100.0%, as applicable) shall constitute "Leverage Excess Proceeds"). The Issuer may satisfy the foregoing obligations with respect to any Asset Sale by making an Asset Sale Offer at any time prior to the expiration of the Proceeds Application Period.

(e) To the extent that the aggregate amount of Notes and any other Parity Lien Indebtedness and Pari Passu Indebtedness tendered or otherwise surrendered in connection with an Asset Sale Offer made with Excess Proceeds, if any, is less than the amount offered in an Asset Sale Offer, the Issuer may use any remaining Excess Proceeds (any such amount, "Retained Declined Proceeds") for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes, Parity Lien Indebtedness and Pari Passu Indebtedness tendered or otherwise surrendered by holders thereof exceeds the amount offered in an Asset Sale Offer, the Issuer shall select the applicable Notes (and the Issuer or its agents shall select such Parity Lien Indebtedness and Pari Passu Indebtedness, as applicable) to be purchased in the manner described below. To the extent the Excess Proceeds exceed the outstanding aggregate principal amount of the Notes (and, if required by the terms thereof, all Parity Lien Indebtedness and Pari Passu Indebtedness, as applicable), the Issuer need only make an Asset Sale Offer up to the outstanding aggregate principal amount of Notes (and any such Parity Lien Indebtedness and Pari Passu Indebtedness), and any additional Excess Proceeds shall not be subject to this Section 3.7 and shall be permitted to be used for any purpose in the Issuer's discretion. Upon completion of any such Asset Sale Offer, the amount of Net Cash Proceeds and Excess Proceeds shall be reset at zero.

(f) Notwithstanding anything to the contrary set forth herein, to the extent that repatriation to the United States of any or all of the Net Cash Proceeds of any Asset Sales by a Foreign Subsidiary (a "Foreign Disposition") (x) is prohibited or delayed by applicable local law or (y) would result in material adverse tax consequences (taking into account any foreign tax credit or other net benefit actually realized in connection with such repatriation that would not otherwise be realized), as determined by the Issuer in its sole discretion, the portion of such Net Cash Proceeds so affected will not be required to be applied in compliance with this Section 3.7, and such amounts may be retained by the applicable Foreign Subsidiary; provided that clause (x) of this paragraph shall apply to such amounts for so long, but only for so long, as the applicable local law will not permit repatriation to the United States (the Issuer hereby agreeing to use commercially reasonable efforts to cause the applicable Foreign Subsidiary to take all

actions reasonably required by the applicable local law, applicable organizational impediments or other impediment to permit such repatriation), and if such repatriation of any of such affected Net Cash Proceeds is permitted under the applicable local law and is not subject to clause (y) of this paragraph, then such repatriation will be promptly effected and such repatriated Net Cash Proceeds will be applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this Section 3.7. The time periods set forth in this Section 3.7 shall not start until such time as the Net Cash Proceeds may be repatriated (whether or not such repatriation actually occurs).

(g) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the purchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 3.7 by virtue of such compliance.

(h) If more Notes are tendered pursuant to an Asset Sale Offer than the Issuer is required to purchase, selection of such Notes for purchase will be made in compliance with the requirements of the principal national securities exchange, if any, on which such Notes are listed (so long as the Trustee knows of such listing) or, if such Notes are not listed, on a pro rata basis based on the total amount of Notes, Parity Lien Indebtedness and Pari Passu Indebtedness tendered or otherwise surrendered in connection with an Asset Sale Offer (with adjustments so that only Notes in denominations of the minimum denomination of \$2,000 or integral multiples of \$1,000 in excess thereof shall be purchased) by lot or by such other method as the Trustee may deem fair and appropriate (and in such manner as complies with applicable legal requirements and, in the case of Global Notes, the procedures of DTC); *provided* that the selection of Notes for purchase shall not result in a Holder with a principal amount of Notes less than the minimum denomination of \$2,000. No Note will be repurchased in part if less than the minimum denomination of such Note would be left outstanding.

(i) Notices of an Asset Sale Offer shall be sent by first class mail, postage prepaid, or sent electronically, at least 10 days but not more than 60 days before the purchase date to each Holder at such Holder's registered address or otherwise in accordance with DTC procedures. If any Note is to be purchased in part only, any notice of purchase that relates to such Note shall state the portion of the principal amount thereof that has been or is to be purchased.

(j) A new Note in a principal amount equal to the unpurchased portion of any Note (other than a Global Note) purchased in part will be issued in the name of the Holder thereof upon cancellation of the Note. On and after the purchase date, unless the Issuer defaults in payment of the purchase price, interest shall cease to accrue on Notes or portions thereof purchased.

(k) The Issuer and the Subsidiary Guarantors will not enter into any agreement that requires the proceeds received from any sale of Collateral to be applied to repay, redeem, defease or otherwise acquire or retire any Indebtedness of any Person, other than as permitted by this Indenture, the Notes, the Security Documents and the Intercreditor Agreements.

SECTION 3.8. Transactions with Affiliates.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer involving aggregate consideration in excess of \$75.0 million (each of the foregoing, an "Affiliate Transaction"), unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm's-length basis (as determined in good faith by the Issuer or any direct or indirect parent of the Issuer); and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$100.0 million, the Issuer delivers to the Trustee a resolution adopted in good faith by the majority of the Board of Directors of the Issuer or any direct or indirect parent of the Issuer, approving such Affiliate Transaction, together with an Officer's Certificate certifying that the Board of Directors of the Issuer or such direct or indirect parent of the Issuer determined or resolved that such Affiliate Transaction complies with clause (i) above.

(b) The provisions of Section 3.8(a) shall not apply to the following:

(i) (a) transactions between or among the Issuer and/or any of its Restricted Subsidiaries (or an entity that becomes a Restricted Subsidiary as a result of such transaction) and (b) any merger, amalgamation or consolidation of the Issuer and Holdings or any other direct or indirect parent of the Issuer; *provided* that such parent entity shall have no material liabilities and no material assets (other than cash, Cash Equivalents and the Capital Stock of the Issuer) and such merger, amalgamation or consolidation is otherwise in compliance with the terms of this Indenture and effected for a *bona fide* business purpose;

(ii) (a) Restricted Payments permitted by this Indenture and (b) Permitted Investments;

(iii) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or meets the requirements of Section 3.8(a)(i);

(iv) payments, loans, advances or guarantees (or cancellation of loans, advances or guarantees) to employees, officers, directors, managers, consultants or independent contractors for *bona fide* business purposes or in the ordinary course of business;

(v) any agreement or arrangement as in effect as of the Issue Date or as thereafter amended, supplemented or replaced (so long as such amendment, supplement or replacement agreement or arrangement is not materially disadvantageous to the Holders (as determined in good faith by the Issuer or any direct or indirect parent of the Issuer) when taken as a whole as compared to the original agreement or arrangement as in effect on the Issue Date) or any transaction or payments contemplated thereby;

(vi) [reserved];

(vii) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders or similar agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date, or similar transactions, arrangements or agreements which it may enter into thereafter; *provided, however*, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under, any future amendment to any such existing transaction, arrangement or agreement or under any similar transaction, arrangement or agreement entered into after the Issue Date shall only be permitted by this clause (vii) to the extent that the terms of any such existing transaction, arrangement or agreement, together with all amendments thereto, taken as a whole, or any such new transaction, arrangement or agreement, are not otherwise disadvantageous to the Holders (as determined in good faith by the Issuer or any direct or indirect parent of the Issuer) in any material respect when taken as a whole as compared with the original transaction, arrangement or agreement as in effect on the Issue Date;

(viii) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case, in the ordinary course of business and otherwise in compliance with the terms of this Indenture, which are fair to the Issuer and its Restricted Subsidiaries or are on terms at least as favorable (as determined in good faith by the Issuer or any direct or indirect parent of the Issuer) as might reasonably have been obtained at such time from an unaffiliated party;

(ix) any transaction effected as part of a Qualified Receivables Factoring or a Qualified Receivables Financing;

(x) the sale, issuance or transfer of Equity Interests (other than Disqualified Stock) of the Issuer;

(xi) [reserved];

(xii) any contribution to the capital of the Issuer (other than Disqualified Stock) or any investments by a direct or indirect parent of the Issuer in Equity Interests (other than Disqualified Stock) of the Issuer (and payment of reasonable out-of-pocket expenses incurred by a direct or indirect parent of the Issuer in connection therewith);

(xiii) any transaction with a Person (other than an Unrestricted Subsidiary) that would constitute an Affiliate Transaction solely because the Issuer or a Restricted Subsidiary owns an Equity Interest in or otherwise controls such Person; *provided* that no Affiliate of the Issuer or any of its Subsidiaries (other than the Issuer or a Restricted Subsidiary) shall have a beneficial interest or otherwise participate in such Person;

(xiv) transactions between the Issuer or any of its Restricted Subsidiaries and any Person that would constitute an Affiliate Transaction solely because such Person is a director, or such Person has a director who is also a director, of the Issuer or any direct or indirect parent of the Issuer; *provided, however*, that such director abstains from voting as a director of the Issuer or such direct or indirect parent of the Issuer, as the case may be, on any matter involving such other Person;

(xv) the entering into of any tax sharing agreement or arrangement and any payments permitted by Section 3.4(b)(xii), 3.4(b)(xiii)(a) or 3.4(b)(xiii)(e);

(xvi) [reserved];

(xvii) pledges of Equity Interests of Unrestricted Subsidiaries;

(xviii) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, equity purchase agreements, stock options and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Issuer, any of its Restricted Subsidiaries or any direct or indirect parent of the Issuer in good faith;

(xix) (1) any employment, consulting, service or termination agreement, or customary indemnification arrangements, entered into by the Issuer or any of its Restricted Subsidiaries with current, former or future officers, directors, employees, managers, consultants and independent contractors of the Issuer or any of its Restricted Subsidiaries (or of any direct or indirect parent of the Issuer to the extent such agreements or arrangements are in respect of services performed for the Issuer or any of its Restricted Subsidiaries), (2) any subscription agreement or similar agreement pertaining to the repurchase of Equity Interests pursuant to put/call rights or similar rights with current, former or future officers, directors, employees, managers, consultants and independent contractors of the Issuer or any of its Restricted Subsidiaries or of any direct or indirect parent of the Issuer and (3) any payment of compensation or other employee compensation, benefit plan or arrangement, any health, disability or similar insurance plan which covers officers, directors, employees, managers, consultants and independent contractors of the Issuer or any of its Restricted Subsidiaries or any direct or indirect parent of the Issuer (including amounts paid pursuant to any management equity plan or any other management or employee benefit plan or agreement or any stock subscription or shareholder agreement, stock option or similar plans and any successor plan thereto and any supplemental executive retirement benefit plans or arrangements), in each case, in the ordinary course of business or as otherwise approved in good faith by the Board of Directors of the Issuer, any of its Restricted Subsidiaries or any direct or indirect parent of the Issuer;

(xx) investments by Affiliates in Indebtedness or preferred Equity Interests of the Issuer or any of its Subsidiaries, so long as non-Affiliates were also offered the opportunity to invest in such Indebtedness or preferred Equity Interests, and transactions with Affiliates solely in their capacity as holders of Indebtedness or preferred Equity Interests of the Issuer or any of its Subsidiaries, so long as such transaction is with all holders of such class (and there are such non-Affiliate holders) and such Affiliates are treated no more favorably than all other holders of such class generally;

(xxi) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of their obligations under the terms of, any registration rights agreement or shareholders' agreement to which they are a party or become a party in the future;

(xxii) investments by a direct or indirect parent of the Issuer in securities of the Issuer or any Restricted Subsidiary (and payment of reasonable out-of-pocket expenses incurred by a direct or indirect parent of the Issuer in connection therewith);

(xxiii) transactions with joint ventures for the purchase or sale of goods, equipment and services entered into in the ordinary course of business;

(xxiv) any lease entered into between the Issuer or any Restricted Subsidiary, as lessee, and any Affiliate of the Issuer, as lessor, in the ordinary course of business;

(xxv) (i) intellectual property licenses in the ordinary course of business and (ii) intercompany intellectual property licenses and research and development agreements;

(xxvi) transactions pursuant to, and complying with, (i) Section 3.3 to the extent such transaction complies with Section 3.8(a)(i) or (ii) the second paragraph of Section 4.1(a) or Section 4.1(c), as applicable; and

(xxvii) intercompany transactions undertaken in good faith for the purpose of improving the tax efficiency of the Issuer and its Restricted Subsidiaries and not for the purpose of circumventing any covenant set forth in this Indenture.

SECTION 3.9. Change of Control.

(a) Upon the occurrence of a Change of Control after the Issue Date, each Holder shall have the right to require the Issuer to purchase all or any part of such Holder's Notes at a purchase price in cash (the "Change of Control Payment") equal to 101.0% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to (but not including) the date of purchase (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling prior to or on the purchase date), except to the extent the Issuer has previously elected to redeem all of the Notes pursuant to Section 5.1.

(b) Prior to or within 30 days following any Change of Control, except to the extent that the Issuer has exercised its right to redeem all of the Notes as described under Section 5.1, the Issuer shall deliver a notice (a "Change of Control Offer") to each Holder, with a copy to the Trustee, or otherwise in accordance with the procedures of DTC, describing:

(i) that a Change of Control has occurred or, if the Change of Control Offer is being made in advance of a Change of Control, that a Change of Control is expected to occur, and that such Holder has, or upon such occurrence will have, the right to require the Issuer to purchase such Holder's Notes at a purchase price in cash equal to 101.0% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to (but not including) the date of purchase (subject to the right of Holders of record on a Record Date to receive interest on the relevant Interest Payment Date falling prior to or on the purchase date);

(ii) the transaction or transactions that constitute, or are expected to constitute, such Change of Control;

(iii) the purchase date (which shall be no earlier than 10 days nor later than 60 days from the date such notice is delivered (unless delivered in advance of the occurrence of such Change of Control)) (the "Change of Control Payment Date");

(iv) that any Note not properly tendered will remain outstanding and continue to accrue interest;

(v) that unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(vi) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such Notes completed, to the Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(vii) that Holders shall be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes; *provided* that the Paying Agent receives, not later than the expiration time of the Change of Control Offer, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes tendered for purchase and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(viii) that if a Holder (other than a Holder of a Global Note) is tendering for purchase less than all of its Notes, the Issuer will issue new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered (and the unpurchased portion of the Notes must be equal to \$2,000 or an integral multiple of \$1,000 in excess thereof);

(ix) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(x) the other instructions determined by the Issuer, consistent with this Section 3.9, that a Holder must follow in order to have its Notes purchased.

While the Notes are in global form and the Issuer makes an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of the Notes to be made through the facilities of the Depositary in accordance with the rules and regulations thereof.

(c) Holders electing to have a Note purchased shall be required to surrender the Note, with an appropriate form duly completed, to the Paying Agent at the address specified in the notice at least three Business Days prior to the Change of Control Payment Date. Holders shall be entitled to withdraw their election if the Paying Agent receives not later than prior to the expiration time of the Change of Control Offer, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount at maturity of the Note which was delivered for purchase by the Holder and a statement that such Holder is withdrawing its tendered Note and its election to have such Note purchased.

(d) On the Change of Control Payment Date, all Notes purchased by the Issuer under this Section 3.9 shall be delivered by the Issuer to the Trustee for cancellation, and the Issuer shall pay through the Paying Agent the purchase price, *plus* accrued and unpaid interest, if any, to, but not including the Change of Control Payment Date, to the Holders entitled thereto. With respect to any Note purchased in part (other than a Global Note), the Issuer shall issue a new Note in a principal amount equal at maturity to the unpurchased portion of the original Note in the name of the Holder upon cancellation of the original Note.

(e) Notwithstanding the provisions of this Section 3.9, the Issuer shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes an offer to repurchase the Notes at a price at or above 101.0% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to (but not including) the date of purchase, in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not validly withdrawn under such offer. Additionally, the Issuer shall not be required to make a Change of Control Offer if the Issuer has previously issued a notice of a full redemption pursuant to the provisions of Section 5.4, which may be subject to the consummation of the Change of Control.

(f) Prior to any Change of Control Offer, the Issuer shall deliver to the Trustee an Officer's Certificate stating that all conditions precedent contained herein to the right of the Issuer to make such offer have been complied with.

(g) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control.

(h) The Issuer shall comply, to the extent applicable, with the requirements of Rule 14e-1 of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 3.9. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 3.9, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 3.9 by virtue of such compliance.

(i) On the Change of Control Payment Date, the Issuer shall, to the extent permitted by law,

(i) accept for payment all Notes issued by the Issuer or portions thereof validly tendered and not validly withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered; and

(iii) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuer.

SECTION 3.11. Future Guarantors. Each Person that becomes a Guarantor after the Issue Date shall also become a party to the applicable Security Documents and shall as promptly as practicable execute and deliver such security instruments, financing statements, mortgages, deeds of trust and other related real estate deliverables (in substantially the same form as those executed and delivered with respect to the Collateral on the Issue Date or on the date first delivered in the case of Collateral that this Indenture provides may be delivered after the Issue Date (to the extent, and substantially in the form, delivered on the Issue Date or the date first delivered, as applicable (but no greater scope)) as may be necessary to vest in the Collateral Agent a perfected first-priority security interest (subject to Permitted Liens) in properties and assets that constitute Fixed Asset Collateral and a perfected second-priority security interest (subject to Permitted Liens) in properties and assets that constitute Current Asset Collateral, in either case, as security for such Guarantor's Guarantee and as may be necessary to have such property or asset added to the Collateral as required under the Security Documents and this Indenture, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such properties and assets to the same extent and with the same force and effect.

Each Guarantee shall be released in accordance with Section 10.2(b).

SECTION 3.12. Compliance Certificate; Statement by Officers as to Default. The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Issuer ending after the Issue Date, an Officer's Certificate to the effect that to the best knowledge of the signer thereof on behalf of the Issuer, the Issuer is or is not in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Issuer (through its own action or omission or through the action or omission of any Guarantor, as applicable) shall be in default, specifying all such defaults and the nature and status thereof of which such signer may have knowledge. The individual signing any certificate given by any Person pursuant to this Section 3.12 shall be the principal executive, financial or accounting officer of such Person or the direct or indirect parent of such Person.

So long as any of the Notes are outstanding, upon any Officer becoming aware of any Default or Event of Default, the Issuer shall deliver to the Trustee at its Corporate Trust Office, within 30 days after such Officer becoming aware of such Default or Event of Default (unless such Default or Event of Default has been cured or waived within such 30-day time period), an Officer's Certificate specifying such Default or Event of Default and what action the Issuer is taking or proposes to take with respect thereto.

SECTION 3.13. [Reserved].

SECTION 3.14. Designation of Restricted and Unrestricted Subsidiaries.

(a) The Board of Directors of the Issuer or any direct or indirect parent of the Issuer may designate any Subsidiary of the Issuer (including any existing Subsidiary and any newly acquired or newly formed Subsidiary of the Issuer) to be an Unrestricted Subsidiary unless such Subsidiary or any of its Subsidiaries owns any Equity Interests of, or owns or holds any Lien on any property of, the Issuer or any other Subsidiary of the Issuer that is not a Subsidiary of the Subsidiary to be so designated; *provided, however*, that immediately after giving effect to such designation no Specified Event of Default shall have occurred and be continuing as a result of such designation; *provided, further*, that either:

- (i) the Subsidiary to be so designated has total consolidated assets of \$1,000 or less; or
- (ii) if such Subsidiary has consolidated assets greater than \$1,000, then such designation would be permitted under Section 3.4.

(b) The Board of Directors of the Issuer or any direct or indirect parent of the Issuer may designate any Unrestricted Subsidiary to be a Restricted Subsidiary. Any Indebtedness of such Subsidiary and any Liens encumbering its assets at the time of such designation shall be deemed newly Incurred or established, as applicable, at such time.

(c) Any such designation by the Board of Directors of the Issuer or any direct or indirect parent of the Issuer pursuant to Section 3.14(b) shall be evidenced to the Trustee by promptly filing with the Trustee a copy of the resolution of the Board of Directors of the Issuer or any direct or indirect parent of the Issuer giving effect to such designation and an Officer's Certificate certifying that such designation complied with this Section 3.14.

SECTION 3.15. Covenant Suspension.

(a) If on any date following the Issue Date (i) the Notes have Investment Grade Ratings from two of the Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in clauses (i) and (ii) of this Section 3.15(a) being collectively referred to as a "Covenant Suspension Event"), (x) the Guarantees will be automatically and unconditionally released and discharged (to the extent that guarantees by the Guarantors of all other Priority Lien Indebtedness and Parity Lien Indebtedness are substantially concurrently released, and the Liens on the Collateral securing such Priority Lien Indebtedness and Parity Lien Indebtedness are also substantially concurrently released) and (y) Sections 3.3, 3.4, 3.5(a) (to the extent the Issuer makes an election pursuant to Section 3.5(b); *provided, however*, that no such election may be made unless all pledges and security interests in respect of the Collateral granted in connection with all Priority Lien Indebtedness and Parity Lien Indebtedness have been released), 3.6, 3.7 (but only to the extent related to properties or assets of the Issuer or its Restricted Subsidiaries that do not constitute Collateral), 3.8, 3.9, 3.11 and 4.1(a)(iv) (collectively, the "Suspended Covenants") shall no longer be applicable to such Notes.

(b) In the event that, after a Covenant Suspension Event, the Notes no longer have an Investment Grade Rating from two of the Rating Agencies (the date of such event, the "Reversion Date"), then the Issuer and its Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events. The period of time between the occurrence of a Covenant Suspension Event and the Reversion Date is referred to as the "Suspension Period."

(c) Upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Cash Proceeds shall be reset at zero.

(d) With respect to Restricted Payments made after the Reversion Date, the amount of Restricted Payments made shall be calculated as though Section 3.4 had been in effect prior to, but not during, the Suspension Period. No Subsidiary may be designated as an Unrestricted Subsidiary during the Suspension Period, unless such designation would have complied with Section 3.4 as if Section 3.4 were in effect during such period. In addition: (i) for purposes of Section 3.3, all Indebtedness Incurred, and Disqualified Stock or Preferred Stock issued, during the Suspension Period shall be classified to have been Incurred or issued pursuant to Section 3.3(b)(iii); (ii) for purposes of Section 3.8, all agreements and arrangements entered into by the Issuer or any Restricted Subsidiary with an Affiliate of the Issuer during the Suspension Period shall be deemed to have been entered into pursuant to Section 3.8(b)(v); (iii) for purposes of Section 3.6, all contracts entered into during the Suspension Period that contain any of the restrictions contemplated by Section 3.6 shall be deemed to have been entered into pursuant to Section 3.6(b)(i); and (iv) for purposes of Section 3.5, any Lien Incurred during the Suspension Period will be deemed to have been entered into pursuant to clause (7) of the definition of "Permitted Liens." In addition, any Change of Control during such Suspension Period shall not require a Change of Control Offer during or after the Suspension Period; *provided* that if public notice of an arrangement that could

result in a Change of Control occurs during a Suspension Period and the Notes are rated below an Investment Grade Rating by one or more of the Rating Agencies during the period commencing 90 days prior to such notice until the end of the 90-day period following such notice (which 90-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by one or more of the Rating Agencies) so that the Notes no longer have an Investment Grade Rating from two of the Rating Agencies, then the Issuer shall be required to make a Change of Control Offer upon the Reversion Date if required by this Indenture.

(e) During the Suspension Period, any reference in the definition of “Unrestricted Subsidiary” or “Permitted Liens” to Section 3.3 or any provision thereof shall be construed as if Section 3.3 had remained in effect since the Issue Date and during the Suspension Period.

(f) Upon the Reversion Date, the obligation to grant Guarantees pursuant to Section 3.11 will be reinstated (and the Reversion Date will be deemed to be the date on which any Indebtedness under the applicable Senior Credit Agreement or Certain Capital Markets Debt was Incurred or guaranteed, as applicable, for purposes of Section 3.11).

(g) Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default will be deemed to have occurred as a result of any failure to comply with the Suspended Covenants during any Suspension Period and the Issuer and any Subsidiary of the Issuer will be permitted, without causing a Default or Event of Default or breach of any of the Suspended Covenants (notwithstanding the reinstatement thereof) under this Indenture, to honor, comply with or otherwise perform any contractual commitments or obligations entered into during a Suspension Period following a Reversion Date and to consummate the transactions contemplated thereby; *provided that*, to the extent any such commitment or obligation results in the making of a Restricted Payment, such Restricted Payment shall be made under Section 3.4(a)(C) or Section 3.4(b) and, if not permitted by Section 3.4(a)(C) or Section 3.4(b), such Restricted Payment shall be deemed permitted by Section 3.4(a)(C) and shall be deducted for purposes of calculating the amount pursuant to Section 3.4(a)(C) (which may not be less than zero).

The Issuer shall provide an Officer’s Certificate to the Trustee indicating the occurrence of any Covenant Suspension Event or Reversion Date. The Trustee shall have no obligation to (i) independently determine or verify if such events have occurred, (ii) make any determination regarding the impact of actions taken during the Suspension Period on the Issuer’s and its Restricted Subsidiaries’ future compliance with their covenants or (iii) notify the Holders of any Covenant Suspension Event or Reversion Date.

SECTION 3.16. Stay, Extension and Usury Laws. The Issuer and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Merger, Consolidation, Amalgamation or Sale of Assets

SECTION 4.1. When the Issuer and Guarantors May Merge, Amalgamate or Otherwise Dispose of Assets.

(a) The Issuer shall not consolidate, merge or amalgamate with or into or wind up into, consummate a Division as the Dividing Person (whether or not the Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(i) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation, merger, amalgamation, winding up or Division (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia (the Issuer or such Person, as the case may be, being herein called the "Successor Company") or, if such entity is not organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia, a co-obligor of the Notes is organized or existing under such laws;

(ii) the Successor Company (if other than the Issuer) expressly assumes all the obligations of the Issuer under this Indenture, the Notes and the Security Documents pursuant to one or more supplemental indentures or other documents or instruments;

(iii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(iv) immediately after giving *pro forma* effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period, either:

(1) the Issuer (or the Successor Company, if applicable) would be permitted to Incur at least \$1.00 of additional Indebtedness as Ratio Debt; or

(2) the Fixed Charge Coverage Ratio for the Issuer (or the Successor Company, if applicable) and its Restricted Subsidiaries would be equal to or greater than such ratio for the Issuer (or the Successor Company, if applicable) and its Restricted Subsidiaries immediately prior to such transaction;

(v) each Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's Obligations under this Indenture and the Notes, and that the Security Documents shall continue to be in effect and such Guarantor shall cause such amendments, supplements or other instruments to be executed, filed and recorded in such jurisdictions as may be required by applicable law to preserve and protect the Lien on the Collateral owned by such Guarantor;

(vi) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, amalgamation or transfer and such supplemental indentures (if any) comply with this Indenture;

(vii) to the extent any property or assets of the Successor Company, or the Person that is merged, amalgamated or consolidated with or into the Successor Company, are property or assets of the type that would constitute Collateral under the Security Documents or the Intercreditor Agreements, the Successor Company will take such action as may be reasonably necessary or required to cause such property and assets to be made subject to a Lien securing the Notes pursuant to this Indenture, the Security Documents and the Intercreditor Agreements in the manner and to the extent required by this Indenture or any of the Security Documents or Intercreditor Agreements and shall take all reasonably necessary action so that such Lien is perfected, preserved and protected to the extent required by this Indenture, the Security Documents and the Intercreditor Agreements;

(viii) the Collateral owned by or sold, assigned, conveyed, leased, transferred or otherwise disposed of to the Successor Company shall (a) continue to constitute Collateral under this Indenture and the Security Documents, (b) be subject to the Lien in favor of the Collateral Agent for its benefit and the benefit of the Trustee and the Holders and (c) not be subject to any Lien other than Permitted Liens or other Liens as permitted under Section 3.5; and

(ix) the Successor Company shall become a party to the ABL Intercreditor Agreement and the Pari Passu Intercreditor Agreement by joinder or supplement.

The Successor Company (if other than the Issuer) shall succeed to, and be substituted for, the Issuer under this Indenture, the Notes and the Security Documents and the Intercreditor Agreements, and the Issuer shall automatically be released and discharged from its obligations under this Indenture, the Notes, the Security Documents and the Intercreditor Agreements. Notwithstanding clauses (iii) and (iv) of the immediately preceding paragraph, (A) the Issuer may consolidate or amalgamate with, merge into, consummate a Division as the Dividing Person or sell, assign, transfer, lease, convey or otherwise dispose of all or part of its properties and assets to any Guarantor, (B) the Issuer may merge, consolidate or amalgamate with an Affiliate of the Issuer solely for the purpose of reincorporating or reorganizing the Issuer in another state or territory of the United States or the District of Columbia, so long as the principal amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby (unless such increase is permitted by this Indenture), (C) the Issuer may convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of the Issuer or the laws of the United States, any state or territory thereof or the District of Columbia or, in the case of each of clauses (A), (B) and (C) of this paragraph, if the resulting entity is not organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia, a co-obligor of the Notes is organized or existing under such laws, (D) the Issuer or any Guarantor may change its name and (E) any Restricted Subsidiary may merge, amalgamate or consolidate with the Issuer; *provided* that the Issuer is the Successor Company in such merger, amalgamation or consolidation.

(b) Subject to Section 10.2, each Guarantor shall not, and the Issuer shall not permit any Guarantor to, consolidate, merge or amalgamate with or into or wind up into, consummate a Division as the Dividing Person (whether or not such Guarantor is the surviving corporation) or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(i) (A) such Guarantor is the surviving Person or the Person formed by or surviving any such consolidation, merger, amalgamation, winding up or Division (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, partnership, limited partnership, limited liability company or trust (or the foreign analog thereof) organized or existing under the laws of the jurisdiction of organization of such Guarantor or the laws of the United States, any state or territory thereof or the District of Columbia, or, in the case of a voluntary Guarantee by a Foreign Subsidiary, the jurisdiction of organization of such Guarantor, or the laws of another jurisdiction so long as the Guarantee provided by such surviving Person under the laws of such other jurisdiction is substantially equivalent to the Guarantee provided under the laws of the jurisdiction of formation of the predecessor Guarantor (such Guarantor or such Person, as the case may be, being herein called the "Successor Guarantor");

(B) the Successor Guarantor (if other than such Guarantor) expressly assumes all the obligations of such Guarantor under this Indenture, the Security Documents and such Guarantor's Guarantee pursuant to a supplemental indenture or other documents or instruments;

(C) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Guarantor or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Guarantor or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(D) the Successor Guarantor (if other than such Guarantor) shall have delivered or caused to be delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, amalgamation or transfer and such supplemental indenture (if any) comply with this Indenture;

(E) to the extent any property or assets of the Successor Guarantor, or the Person that is merged, amalgamated or consolidated with or into the Successor Guarantor, are property or assets of the type that would constitute Collateral under the Security Documents or the Intercreditor Agreements, the Successor Guarantor will take such action as may be reasonably necessary or required to cause such property and assets to be made subject to a Lien securing the Notes pursuant to this Indenture, the Security Documents and the Intercreditor Agreements in the manner and to the extent required by this Indenture or any of the Security Documents or Intercreditor Agreements, and shall take all reasonably necessary action so that such Lien is perfected, preserved and protected to the extent required by this Indenture, the Security Documents and the Intercreditor Agreements;

(F) the Collateral owned by or sold, assigned, conveyed, leased, transferred or otherwise disposed of to the Successor Guarantor shall (a) continue to constitute Collateral under this Indenture, the Security Documents and the Intercreditor Agreements, (b) be subject to the Lien in favor of the Collateral Agent for its benefit and the benefit of the Trustee and the Holders and (c) not be subject to any Lien other than Permitted Liens or other Liens as permitted in Section 3.5; and

(G) the Successor Guarantor shall become a party to the ABL Intercreditor Agreement and the Pari Passu Intercreditor Agreement by joinder or supplement; or

(ii) in the case of a Subsidiary Guarantor only, such sale or disposition or consolidation, amalgamation or merger is made in compliance with Section 3.7 to the extent applicable on the date of the subject transaction.

(c) Subject to Article X, the Successor Guarantor shall succeed to, and be substituted for, such Guarantor under this Indenture, such Guarantor's Guarantee, the Security Documents and the Intercreditor Agreements, and such Guarantor shall automatically be released and discharged from its obligations under this Indenture, such Guarantor's Guarantee, the Security Documents and the Intercreditor Agreements. Notwithstanding the foregoing, (1) a Guarantor may merge, consolidate or amalgamate with an Affiliate of the Issuer solely for the purpose of reincorporating or reorganizing such Guarantor in the United States, any state or territory thereof or the District of Columbia, so long as the principal amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby (unless such increase is permitted by this Indenture), (2) a Guarantor may (a) consolidate, merge or amalgamate with or into or wind up into, consummate a Division as the Dividing Person or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties and assets to, the Issuer or a Guarantor or (b) dissolve if such Guarantor sells, assigns, transfers, leases, conveys or otherwise disposes of all or substantially all of its properties and assets to another Person in compliance with Section 3.7 and, after giving effect to such sale, assignment, transfer, lease, conveyance or disposition and prior to such dissolution, has no or a *de minimis* amount of assets, (3) a Guarantor may convert into a corporation, partnership, limited partnership, limited liability company or trust (or the foreign analog thereof) organized or existing under the laws of the jurisdiction of organization of such Guarantor or the laws of the United States, any state or territory thereof or the District of Columbia, or the laws of any other jurisdiction so long as the Guarantee provided by such Guarantor under the laws of such other jurisdiction is substantially equivalent to the Guarantee provided under the laws of the jurisdiction of formation of such Guarantor prior to such conversion, (4) a Guarantor may change its name and (5) any Restricted Subsidiary may merge, amalgamate or consolidate into any Guarantor; *provided*, in the case of this clause (5), that the surviving Person (i) is a corporation, partnership, limited partnership, limited liability company or trust (or the foreign analog thereof) organized or existing under the laws of the United States, any state or territory thereof or the District of Columbia (or, in the case of a voluntary Guarantee by a Foreign Subsidiary, the jurisdiction of organization of such Restricted Subsidiary or Guarantor, or the laws of another jurisdiction, so long as the Guarantee provided by such surviving Person under the laws of such other jurisdiction is substantially equivalent to the Guarantee provided under the laws of the jurisdiction of formation of the predecessor Guarantor) and (ii) is or becomes a Guarantor upon consummation of such merger, amalgamation or consolidation. Notwithstanding the foregoing, for the avoidance of doubt, no restriction under this Section 4.1 shall limit the ability of any Non-Guarantor Subsidiary (except as provided in the following sentence) or Unrestricted Subsidiary to engage in any merger, consolidation, amalgamation or sale of all or substantially all assets.

(d) For purposes of this Section 4.1, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Issuer, which properties and assets, if held by the Issuer instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Issuer on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Issuer.

Redemption of NotesSECTION 5.1. Optional Redemption.

(a) The Notes may be redeemed, in whole at any time, or in part from time to time, subject to the conditions and at the redemption prices set forth in Paragraph 6 of the form of Note set forth in Exhibit A hereto, which are hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest to the redemption date.

(b) Any redemption of the Notes may, at the Issuer's discretion, be subject to one or more conditions precedent. The redemption date of any redemption that is subject to satisfaction of one or more conditions precedent may, in the Issuer's discretion, be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and any notice with respect to such redemption may be modified or rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the redemption date, or by the redemption date so delayed (which may exceed 60 days from the date of the redemption notice in such case). In addition, such notice of redemption may be extended, if such conditions precedent have not been satisfied or waived by the Issuer, by providing notice to the Holders.

(c) The Issuer or its affiliates may at any time and from time to time purchase Notes. Any such purchases may be made through open-market or privately negotiated transactions with third parties or pursuant to one or more tender or exchange offers or otherwise, upon such terms and at such prices, as well as with such consideration, as the Issuer or any such affiliates may determine.

SECTION 5.2. Election to Redeem; Notice to Trustee of Optional and Mandatory Redemptions. If the Issuer elects to redeem Notes pursuant to Section 5.1, the Issuer shall furnish to the Trustee, at least two Business Days for Global Notes and 10 calendar days for Definitive Notes before notice of redemption is required to be mailed or caused to be mailed to Holders pursuant to Section 5.4, an Officer's Certificate setting forth (a) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (b) the Redemption Date, (c) the principal amount of the Notes to be redeemed and (d) the redemption price. The Issuer may also include a request in such Officer's Certificate that the Trustee give the notice of redemption in the Issuer's name and at its expense and setting forth the information to be stated in such notice as provided in Section 5.4. The Issuer shall deliver to the Trustee such documentation and records as shall enable the Trustee to select the Notes to be redeemed pursuant to Section 5.3.

SECTION 5.3. Selection by Trustee of Notes to Be Redeemed. If less than all of the Notes are to be redeemed at any time, the Trustee shall select Notes for redemption in compliance with the requirements of the principal national securities exchange, if any, on which such Notes are listed (so long as the Trustee knows of such listing), or if such Notes are not so listed, on a pro rata basis, by lot or by such other method as the Trustee shall deem fair and appropriate (and in such manner as complies with applicable legal requirements and, in the case of the Global Notes, the procedures of the Depositary) in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof; *provided* that the selection of Notes for redemption shall not result in a Holder with a principal amount of Notes less than the minimum denomination of \$2,000. If any Note is to be purchased or redeemed in part only, the notice of purchase or redemption relating to such Note shall state the portion of the principal amount thereof that has been or is to be purchased or redeemed. A new Note in a principal amount equal to the unredeemed portion thereof shall be issued in the name of the Holder thereof upon cancellation of the original Note in accordance with Section 5.7. On and after the Redemption Date, interest will cease to accrue on Notes or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of and premium, if any, *plus* accrued and unpaid interest, if any, on the Notes to be redeemed.

The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Notes shall relate, in the case of any Note redeemed or to be redeemed only in part, to the portion of the principal amount of such Note which has been or is to be redeemed.

SECTION 5.4. Notice of Redemption. The Issuer shall deliver to each Holder's registered address or otherwise in accordance with the procedures of the Depository, a notice of redemption to each Holder whose Notes are to be redeemed pursuant to Section 5.1 not less than 10 nor more than 60 days prior to a date fixed for redemption (a "Redemption Date"); *provided, however*, that redemption notices may be delivered more than 60 days prior to a Redemption Date if (i) the notice is issued pursuant to Article VIII or (ii) in the case of a redemption that is subject to one or more conditions precedent, the date of redemption is extended as permitted hereunder. At the Issuer's written request, the Trustee may give notice of redemption in the Issuer's name and at the Issuer's expense.

All notices of redemption shall be prepared by the Issuer and shall state:

- (a) the Redemption Date;
- (b) the redemption price and the amount of accrued interest to, but excluding, the Redemption Date payable as provided in Section 5.6, if any;
- (c) if less than all outstanding Notes are to be redeemed, the identification of the particular Notes (or portion thereof) to be redeemed, as well as the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption;
- (d) in case any Note is to be redeemed in part only, the notice which relates to such Note shall state that on and after the Redemption Date, upon surrender of such Note, the Holder shall receive, without charge, a new Note or Notes of authorized denominations for the principal amount thereof remaining unredeemed;
- (e) that on the Redemption Date the redemption price (and accrued interest to, but excluding, the Redemption Date payable as provided in Section 5.6, if any) shall become due and payable upon each such Note, or the portion thereof, to be redeemed, and, unless the Issuer defaults in making the redemption payment, that interest on Notes called for redemption (or the portion thereof) shall cease to accrue on and after said date;
- (f) the place or places where such Notes are to be surrendered for payment of the redemption price and accrued interest, if any;
- (g) the name and address of the Paying Agent;
- (h) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (i) the CUSIP number, and that no representation is made as to the accuracy or correctness of the CUSIP number, if any, listed in such notice or printed on the Notes;
- (j) the Section of this Indenture pursuant to which the Notes are to be redeemed; and
- (k) any conditions to such redemption.

At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at its expense; *provided, however*, that the Issuer shall have delivered to the Trustee, at least two Business Days prior to when the notice of the redemption is to be given, an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph. Such Officer's Certificate shall state that all conditions precedent to the delivery of such notice have been complied with. The Issuer shall be responsible for making calculations called for under the Notes and this Indenture, including but not limited to determination of interest, redemption price, premium, if any, and any other amounts payable on the Notes. The Issuer will make the calculations in good faith and, absent manifest error, its calculations will be final and binding on the Holders. The Trustee is entitled to rely conclusively on the accuracy of the Issuer's calculations without independent verification.

SECTION 5.5. Deposit of Redemption Price. Prior to 10:00 a.m. (New York City time) on any Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 2.4) an amount of money sufficient to pay the redemption price of, and accrued interest on, all the Notes which are to be redeemed on that date.

SECTION 5.6. Notes Payable on Redemption Date. Notice of redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified (together with accrued interest, if any, to, but excluding, the Redemption Date), and from and after such date (unless the Issuer shall default in the payment of the redemption price and accrued interest, if any, to, but excluding, the Redemption Date) such Notes shall cease to bear interest. Upon surrender of any such Note for redemption in accordance with said notice, such Note shall be paid by the Issuer at the redemption price, together with accrued interest, if any, to, but excluding, the Redemption Date (subject to the rights of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling prior to or on the Redemption Date).

If any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate borne by the Notes.

If a Redemption Date is on or after a Record Date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, shall be paid to the Person in whose name the Note is registered at the close of business on such Record Date, and no further interest shall be payable to Holders whose Notes shall be subject to redemption by the Issuer.

SECTION 5.7. Notes Redeemed in Part. Any Note which is to be redeemed only in part (pursuant to the provisions of this Article) shall be surrendered at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.3 (with, if the Issuer so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Issuer shall execute, and the Trustee upon receipt of an Authentication Order shall authenticate and make available for delivery to the Holder of such Note at the expense of the Issuer, a new Note or Notes, of any authorized denomination as requested by such Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered; *provided* that each such new Note shall be in a minimum principal amount of \$2,000 and integral multiples of \$1,000 in excess thereof.

SECTION 5.8. Offer to Repurchase. In the event that, pursuant to Section 3.7, the Issuer is required to commence an offer to all Holders to purchase the Notes (an "Offer to Repurchase"), it shall follow the procedures specified below:

(a) The Offer to Repurchase shall remain open for a period of at least 10 days following its commencement and not more than 60 days, except to the extent that a longer period is required by applicable law (the "Offer Period"). No later than five Business Days after the termination of the Offer Period (the "Purchase Date"), the Issuer shall apply all Excess Proceeds (the "Offer Amount") to the purchase of Notes and such Pari Passu Indebtedness, if any (in each instance, on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Offer to Repurchase. Payment for any Notes so purchased shall be made pursuant to Section 3.1.

(b) If the Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Offer to Repurchase.

(c) Upon the commencement of an Offer to Repurchase, the Issuer shall send, by first class mail (or electronically for Global Notes), a notice to the Trustee and each of the Holders. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Offer to Repurchase. The notice, which shall govern the terms of the Offer to Repurchase, shall state:

(i) that the Offer to Repurchase is being made pursuant to this Section 5.8 and Section 3.7, and the length of time the Offer to Repurchase shall remain open;

(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment shall continue to accrue interest;

(iv) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Offer to Repurchase shall cease to accrue interest after the Purchase Date;

(v) that Holders electing to have a Note purchased pursuant to an Offer to Repurchase may elect to have Notes purchased in a minimum amount of \$2,000 or an integral multiple of \$1,000 in excess thereof only;

(vi) that Holders electing to have Notes purchased pursuant to any Offer to Repurchase shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Issuer, a Depository, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least three Business Days before the Purchase Date;

(vii) that Holders shall be entitled to withdraw their election if the Issuer, the Depository or the Paying Agent, as the case may be, receives, not later than on the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Notes purchased;

(viii) that, if the aggregate principal amount of Notes and, if applicable, Pari Passu Indebtedness, if any, surrendered by Holders thereof exceeds the Offer Amount, the Trustee shall select the Notes and, if applicable, the Issuer shall select such Pari Passu Indebtedness to be purchased or prepaid, on a pro rata basis based on the principal amount of Notes and Pari Passu Indebtedness, if any, surrendered (with such adjustments as may be deemed appropriate by the Issuer so that only Notes in minimum denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, shall be purchased); and

(ix) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

(d) On or before the Purchase Date, the Issuer shall, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Offer to Repurchase, or if less than the Offer Amount has been tendered, all Notes tendered, and shall deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this Section 5.8. The Issuer, the Depository or the Paying Agent, as the case may be, shall promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuer for purchase, and the Issuer shall promptly issue a new Note, and the Trustee, upon written request from the Issuer, shall authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Issuer to the Holder thereof. The Issuer shall publicly announce the results of the Offer to Repurchase on the Purchase Date.

ARTICLE VI

Defaults and Remedies

SECTION 6.1. Events of Default. Each of the following is an "Event of Default":

(i) a default in any payment of interest on any Note when due, continued for 30 days;

(ii) a default in the payment of principal or premium, if any, of any Note when due at its Stated Maturity, upon optional redemption, upon required purchase, upon acceleration or otherwise;

(iii) the failure by the Issuer or any Restricted Subsidiary to comply for 60 days after receipt of written notice referred to below with any of its obligations, covenants or agreements (other than a default pursuant to Section 6.1(i) or 6.1(ii)) contained in the Notes, this Indenture or the Security Documents; *provided* that in the case of a failure to comply with Section 3.2, such period of continuance of such default or breach shall be 120 days after written notice described in this clause (iii) has been given;

(iv) (x) the failure by the Issuer or any Restricted Subsidiary to pay the principal amount of any Indebtedness for borrowed money (other than Indebtedness for borrowed money owing to the Issuer or a Restricted Subsidiary) within any applicable grace period after final maturity or (y) the acceleration of any Indebtedness for borrowed money (other than Indebtedness for borrowed money owing to the Issuer or a Restricted Subsidiary) by the holders thereof because of a default, in each case of subclauses (x) and (y), if the total amount of such Indebtedness unpaid at final maturity or accelerated exceeds \$75.0 million or its foreign currency equivalent;

(v) the Issuer or any Significant Subsidiary pursuant to or within the meaning of the Bankruptcy Code:

- (1) commences a voluntary case;
- (2) consents to the entry of an order for relief against it in any voluntary case;
- (3) consents to the appointment of a Custodian of it or for any substantial part of its property; or
- (4) makes a general assignment for the benefit of its creditors;

or takes any comparable action under any foreign laws relating to insolvency;

(vi) a court of competent jurisdiction enters an order or decree under the Bankruptcy Code that:

- (1) is for relief against the Issuer or any Significant Subsidiary in an involuntary case;
- (2) appoints a Custodian of the Issuer or any Significant Subsidiary or for any substantial part of its property; or
- (3) orders the winding up or liquidation of the Issuer or any Significant Subsidiary;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days;

(vii) failure by the Issuer or any Significant Subsidiary to pay final and non-appealable judgment(s) aggregating in excess of \$75.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent insurance companies), which judgment(s) are not discharged, waived or stayed for a period of 60 days after such judgment(s) become final and, in the event such judgment(s) are covered by insurance, enforcement proceeding(s) have been commenced by any creditor upon such judgment(s) or decree(s) which are not promptly stayed;

(viii) the Guarantee of a Significant Subsidiary ceases to be in full force and effect (except as contemplated by the terms thereof or of this Indenture), or any Guarantor that is a Significant Subsidiary denies in writing that it has any further liability under its Guarantee or gives written notice to such effect, other than by reason of the termination or discharge of this Indenture or the release of any such Guarantee in accordance with this Indenture and such Default continues for ten days;

(ix) any material provision of any Security Document or Intercreditor Agreement, at any time, (a) ceases to be in full force and effect for any reason other than in accordance with the terms of this Indenture, the Security Documents and the Intercreditor Agreements or (b) is declared invalid or unenforceable by a court of competent jurisdiction, (y) the Issuer or any Guarantor contests in writing the validity or enforceability of any provision of any Security Document or Intercreditor Agreement or (z) the Issuer or any Guarantor denies in writing that it has any further liability under this Indenture or any Security Document or Intercreditor Agreement or gives written notice to revoke or rescind any Security Document or the perfected first-priority or second-priority Liens, as applicable, created thereby with respect to the Notes, other than in accordance with the terms of this Indenture, the Security Documents and the Intercreditor Agreements; or

(x) any Security Document covering a material portion of the Collateral for any reason (other than pursuant to the terms thereof) ceases to create a valid and perfected first-priority or second-priority Lien, as applicable, on and security interest in any material Collateral covered thereby, subject to Permitted Liens, except (a) to the extent that any such perfection or priority is not required pursuant to this Indenture and the Security Documents or results from the failure of the Collateral Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Security Documents or to file UCC continuation statements or (b) as to Collateral consisting of real property, to the extent that such losses are covered by a title insurance policy in favor of the Collateral Agent for the benefit of the Trustee and the Holders and such insurers have not denied or failed to acknowledge coverage. For the avoidance of doubt, the Issuer shall be required (and the Collateral Agent is not obligated) to file UCC continuation statements and maintain perfection of Liens on the Collateral.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a Default under Section 6.1(iii) shall not constitute an Event of Default until the Trustee or the Holders of at least 30.0% in aggregate principal amount of outstanding Notes notify the Issuer in writing of the Default and such Default is not cured within the time specified in Section 6.1(iii) after receipt of such notice.

SECTION 6.2. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.1(v) or 6.1(vi) above with respect to the Issuer) occurs and is continuing, the Trustee or the Holders of at least 30.0% in aggregate principal amount of outstanding Notes by written notice to the Issuer (and to the Trustee, if given by the holders) may declare the principal of, premium, if any, and accrued but unpaid interest, if any, on all outstanding Notes to be due and payable. Upon such a declaration, such principal, premium, if any, and interest shall be due and payable immediately. If an Event of Default arising from Section 6.1(v) or 6.1(vi) of the Issuer occurs, the principal of, premium, if any, and interest on, all the outstanding Notes shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

SECTION 6.3. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes, this Indenture (including sums owed to the Trustee and its agents and counsel) and the Guarantees.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.4. Waiver of Past Defaults. The Holders of a majority in aggregate principal amount of the then-outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all of the Notes, waive, rescind or cancel any declaration of an existing or past Default or Event of Default and its consequences under this Indenture if such waiver, rescission or cancellation would not conflict with any judgment or decree (except a continuing Default or Event of Default in the payment of interest on, or the principal of, the Notes (other than such nonpayment of principal or interest that has become due as a result of such acceleration)). Upon any such waiver, rescission or cancellation of a Default or Event of Default, any such Default or Event of Default shall cease to exist, and any Event of Default arising from any such Default shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

In the event of any Event of Default arising from Section 6.1(iv), such Event of Default and all consequences thereof shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if prior to 20 days after such Event of Default arose, the Issuer delivers an Officer's Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the requisite amount of Holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has otherwise been cured.

SECTION 6.5. Control by Majority. The Holders of a majority in aggregate principal amount of the then-outstanding Notes may direct in writing the time, method and place of conducting any proceeding for any remedy available to the Trustee or the Collateral Agent or of exercising any trust or power conferred on the Trustee or the Collateral Agent, as the case may be. The Trustee and the Collateral Agent, as the case may be, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee or the Collateral Agent determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee or the Collateral Agent in personal liability unless such Holders have offered to the Trustee or the Collateral Agent, as the case may be, security and indemnity satisfactory to it against any loss, liability or expense; *provided, however*, that the Trustee and the Collateral Agent shall have no obligation to determine whether or not any action or inaction is unduly prejudicial to the rights of any Holder. Prior to taking any action under this Indenture, the Trustee and the Collateral Agent shall be entitled to security or indemnification satisfactory to it in its sole discretion against all losses, liabilities and expenses that may be caused by taking or not taking such action.

SECTION 6.6. Limitation on Suits. The Trustee shall be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes (subject to the Intercreditor Agreements) unless:

- (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(ii) Holders of at least 30.0% of the aggregate principal amount of the then-outstanding Notes have requested in writing the Trustee to pursue the remedy;

(iii) such Holders have offered and, if requested, provided the Trustee security or indemnity satisfactory to it in respect of any loss, liability or expense;

(iv) the Trustee has not complied with such request within 60 days after the receipt of the written request and the offer of security or indemnity satisfactory to it in respect of any loss, liability or expense; and

(v) the Holders of a majority in aggregate principal amount of the then-outstanding Notes have not given the Trustee a written direction inconsistent with such request within such 60-day period.

SECTION 6.7. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to institute suit for the enforcement of any payment of principal of, premium, if any, or interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, shall not be impaired or affected without the consent of such Holder.

SECTION 6.8. Collection Suit by Trustee. If an Event of Default specified in Section 6.1(i), 6.1(ii) or 6.1(ix) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.6.

SECTION 6.9. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer, its Subsidiaries or their respective creditors or properties and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders (pursuant to the written direction of Holders of a majority in aggregate principal amount of the then-outstanding Notes) in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.6. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in such proceeding.

SECTION 6.10. Priorities. The Trustee shall, subject to the terms of the Intercreditor Agreements, pay out any money or property received by it in the following order:

First: to the Trustee, the Collateral Agent, the Notes Custodian and the Agents for amounts due under Section 7.6;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

Third: to the Issuer or, to the extent the Trustee receives any amount for any Guarantor, to such Guarantor as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section. At least 15 days before such record date, the Issuer (or the Trustee) shall deliver to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.7 or a suit by Holders of more than 10% in outstanding principal amount of the Notes.

ARTICLE VII

Trustee and Collateral Agent

SECTION 7.1. Duties of Trustee and Collateral Agent.

(a) If an Event of Default has occurred and is continuing, the Trustee shall, in the exercise of its rights and powers under this Indenture, use the same degree of care and skill in its exercise of such rights and powers as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs, subject to the provisions of clause (h) below.

(b) The Trustee, except during the continuance of an Event of Default of which a Trust Officer has actual knowledge, and, at all times, the Collateral Agent:

(i) and the Agents undertake to perform such duties and only such duties as are specifically set forth in this Indenture and the Security Documents and no implied covenants or obligations shall be read into this Indenture or the Security Documents against the Trustee and the Collateral Agent or the Agents; and

(ii) in the absence of gross negligence or willful misconduct on its part, may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and the Collateral Agent under this Indenture, the Notes, the Guarantees and the Security Documents, as applicable. However, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee or the Collateral Agent, as applicable, the Trustee or the Collateral Agent, as applicable, shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture, the Notes, the Guarantees and the Security Documents as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) Neither the Trustee nor the Collateral Agent may be relieved from liability for its own negligent action, its own negligent failure to act (or, in the case of the Collateral Agent, grossly negligent action or its own grossly negligent failure to act) or its own willful misconduct, except that:

(i) this Section 7.1(c) does not limit the effect of Section 7.1(b);

(ii) neither the Trustee nor the Collateral Agent shall be liable for any error of judgment made in good faith by a Trust Officer or Trust Officers unless it is proved in a final non-appealable decision of a court of competent jurisdiction that the Trustee or the Collateral Agent was negligent (or, in the case of the Collateral Agent, grossly negligent) in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a written direction received by it pursuant to Section 6.5.

(d) The Trustee, the Collateral Agent and the Agents shall not be liable for interest on any money received by it except as the Trustee, the Collateral Agent and the Agents may agree in writing with the Issuer.

(e) Money held in trust by the Trustee or Collateral Agent need not be segregated from other funds except to the extent required by law.

(f) No provision of this Indenture, the Notes, the Guarantees or the Security Documents shall require the Trustee, the Collateral Agent or an Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee and the Collateral Agent shall be subject to the provisions of this Section 7.1.

(h) The Trustee shall not be under any obligation to exercise any of the rights or powers vested in it by this Indenture or to direct the Collateral Agent to take action under the Security Documents at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee, security, prefunding or indemnity satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction.

SECTION 7.2. Rights of Trustee and Collateral Agent.

(a) The Trustee, the Collateral Agent and the Agents may conclusively rely and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, judgment, bond or any other paper or document believed by it to be genuine and to have been signed or presented by the proper Person or Persons. The Trustee, the Collateral Agent and the Agents need not investigate any fact or matter stated in the document.

(b) Before the Trustee or the Collateral Agent acts or refrains from acting it may require an Officer's Certificate or an Opinion of Counsel or both, except that (x) no Officer's Certificate or Opinion of Counsel will be required in connection with the original issuance of Notes on the date hereof and (y) no Opinion of Counsel will be required in connection with the execution of any amendment or supplement adding a new Guarantor under this Indenture or releasing a Guarantor pursuant to Section 10.2(b) hereof. Neither the Trustee nor the Collateral Agent shall be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel.

(c) Each of the Trustee and the Collateral Agent may act through its attorneys, custodians, nominees and agents and shall not be responsible for the misconduct or negligence of or for the supervision of any agent, custodians, nominees or attorney appointed with due care.

(d) Neither the Trustee nor the Collateral Agent shall be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; *provided, however*, that the Trustee's or the Collateral Agent's conduct does not constitute willful misconduct or negligence (or, in the case of the Collateral Agent, gross negligence) as determined in a final non-appealable decision of a court of competent jurisdiction.

(e) Each of the Trustee and the Collateral Agent may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture, the Notes, the Guarantees, the Security Documents and the Intercreditor Agreements shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder or under the Notes, the Guarantees, the Security Documents and the Intercreditor Agreements in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee, the Collateral Agent and the Agents shall not be bound to make any investigation into any statement, warranty or representation, or the facts or matters stated in any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, judgment, bond or other paper or document made or in connection with this Indenture or the Security Documents; moreover, the Trustee, the Collateral Agent and the Agents shall not be bound to make any investigation into (i) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (ii) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of this Indenture, the Security Documents or any other agreement, instrument or document or (iii) the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, judgment, bond, debenture, note or other evidence of indebtedness or other paper or document, but the Trustee, the Collateral Agent or an Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee, the Collateral Agent or an Agent, as applicable, shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall not be deemed to have knowledge of any Default or Event of Default except any Default or Event of Default of which a Trust Officer shall have (x) received written notification from the Issuer or a Holder at the Corporate Trust Office of the Trustee and such notice references the Notes and this Indenture or (y) obtained "actual knowledge." "Actual knowledge" shall mean the actual fact or statement of knowing by a Trust Officer without independent investigation with respect thereto.

(h) In no event shall the Trustee, the Collateral Agent or an Agent be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee, the Collateral Agent or Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee and the Collateral Agent, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee and the Collateral Agent in each of its capacities hereunder, and each agent (including the Agents), Notes Custodian and other Person employed to act hereunder.

(j) The Trustee and the Collateral Agent may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture and/or the Security Documents.

(k) Neither the Trustee nor the Collateral Agent shall have any duty (A) to see to any recording, filing, or depositing of this Indenture, the Security Documents or any agreement referred to herein, or to see to the maintenance of any such recording or filing or depositing or to any rerecording, re-filing or re-depositing of any thereof or (B) to see to any insurance.

(l) The permissive rights of the Trustee, the Collateral Agent or an Agent to perform any act enumerated in this Indenture and/or the Security Documents shall not be construed as a duty and, with respect to such permissive rights, the Trustee, the Collateral Agent or an Agent shall not be answerable for other than its gross negligence or willful misconduct.

(m) Neither the Trustee nor the Collateral Agent shall be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(n) Where this Indenture requires delivery of an Officer's Certificate or Opinion of Counsel in connection with any request or application to the Trustee to take or refrain from taking any action hereunder, the Trustee may, in its sole discretion, waive or amend such requirement.

SECTION 7.3. Individual Rights of Trustee. Subject to the TIA, the Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuer, the Guarantors or their Affiliates with the same rights it would have if it were not the Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Section 7.9. In addition, the Trustee shall be permitted to engage in transactions with the Issuer; *provided, however*, that if the Trustee acquires any conflicting interest the Trustee must (i) eliminate such conflict within 90 days of acquiring such conflicting interest, (ii) apply to the SEC for permission to continue acting as Trustee or (iii) resign.

SECTION 7.4. Disclaimer. None of the Trustee, the Collateral Agent or any Agent shall be responsible for and none of them makes any representation as to the validity or adequacy of this Indenture, the Notes, the Guarantees or the Security Documents, none of them shall be accountable for the Issuer's use of the Notes or the proceeds from the Notes, and none of them shall be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication or for the use or application of any funds received by any Paying Agent other than the Trustee.

SECTION 7.5. Notice of Defaults. If a Default occurs and is continuing and is actually known to a Trust Officer of the Trustee, the Trustee shall deliver to each Holder notice of the Default within 90 days after the Trust Officer of the Trustee has actual knowledge of the Default. Except in the case of a Default in the payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold notice if and so long as the Trustee in good faith determines that withholding notice is in the interests of the Holders.

SECTION 7.6. Compensation and Indemnity. The Issuer shall pay to the Trustee, the Collateral Agent and the Agents from time to time such compensation for their services as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee, the Collateral Agent and the Agents upon request for all reasonable out-of-pocket expenses incurred or made by it, including, but not limited to, costs of collection, costs of preparing and reviewing reports, certificates and other documents, costs of preparation and mailing of notices to Holders and reasonable costs of counsel, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's and the Collateral Agent's agents, counsel, accountants and experts. The Issuer shall indemnify each of the Trustee, any predecessor Trustee, the Collateral Agent and any predecessor Collateral Agent in each of its capacities hereunder (including, with respect to the Trustee, Paying Agent and Registrar) and the Security Documents, and each of their officers, directors, employees, counsel and agents, against any and all loss, liability or expense (including, but not limited to, reasonable attorneys' fees and expenses) incurred by it in connection with the administration of this trust and the performance of their duties hereunder and under the Notes, the Guarantees and the Security Documents, including the costs and expenses of enforcing this Indenture (including this Section 7.6), the Notes, the Guarantees, the Security Documents and the Intercreditor Agreements and of defending itself against any claims (whether asserted by any Holder, the Issuer or otherwise). The Trustee, the Collateral Agent and the Agents shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee, the Collateral Agent or an Agent to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee, the Collateral Agent and the Agents may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee, the Collateral Agent or an Agent as a result of its own willful misconduct or gross negligence as determined by a court of competent jurisdiction in a non-appealable decision.

To secure the Issuer's payment obligations in this Section, the Trustee and the Collateral Agent shall have a lien prior to the Notes on all money or property held or collected by the Trustee and the Collateral Agent other than money or property held in trust to pay principal of and interest on particular Notes. The right of the Trustee and the Collateral Agent to receive payment of any amounts due under this Section 7.6 shall not be subordinate to any other liability or indebtedness of the Issuer.

The Issuer's obligations pursuant to this Section and any lien arising hereunder shall survive the satisfaction and discharge of this Indenture and the Security Agreements and the resignation or removal of the Trustee, the Collateral Agent or an Agent. When the Trustee, the Collateral Agent or an Agent incurs expenses after the occurrence of a Default specified in Section 6.1(v) or 6.1(vi) with respect to the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Code.

Pursuant to Section 10.1, the obligations of the Issuer hereunder are jointly and severally guaranteed by the Guarantors.

SECTION 7.7. Replacement of Trustee or Collateral Agent. The Trustee or the Collateral Agent may resign at any time by so notifying the Issuer. The Holders of a majority in aggregate principal amount of the Notes may remove the Trustee or Collateral Agent by so notifying the Issuer and the Trustee or Collateral Agent, as applicable, in writing and may appoint a successor Trustee or successor Collateral Agent, as applicable. The Issuer shall remove the Trustee or the Collateral Agent if:

- (i) in the case of the Trustee, the Trustee fails to comply with Section 7.9;

- (ii) the Trustee or the Collateral Agent, as applicable, is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or the Collateral Agent, as applicable, or its property; or
- (iv) the Trustee or the Collateral Agent otherwise becomes incapable of acting.

If the Trustee or the Collateral Agent resigns or is removed by the Issuer or by the Holders of a majority in aggregate principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee or successor Collateral Agent, as applicable, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee) or Collateral Agent (the Collateral Agent in such event being referred to herein as the retiring Collateral Agent) for any reason, the Issuer shall promptly appoint a successor Trustee or successor Collateral Agent, as applicable.

A successor Trustee or successor Collateral Agent shall deliver a written acceptance of its appointment to the retiring Trustee or retiring Collateral Agent, as applicable, and to the Issuer. Thereupon the resignation or removal of the retiring Trustee or retiring Collateral Agent, as applicable, shall become effective, and the successor Trustee or successor Collateral Agent, as applicable, shall have all the rights, powers and duties of the Trustee or the Collateral Agent, as applicable, under this Indenture and the Security Documents. The successor Trustee or successor Collateral Agent shall deliver a notice of its succession to Holders. The retiring Trustee or retiring Collateral Agent shall promptly transfer all property held by it as Trustee or Collateral Agent to the successor Trustee or successor Collateral Agent, as applicable, subject to the lien provided for in Section 7.6. All costs reasonably incurred in connection with any resignation or removal hereunder shall be borne by the Issuer.

If a successor Trustee or successor Collateral Agent does not take office within 60 days after the retiring Trustee or retiring Collateral Agent resigns or is removed, the retiring Trustee or retiring Collateral Agent, as applicable, or the Holders of at least 10% in aggregate principal amount of the Notes may petition, at the Issuer's expense, any court of competent jurisdiction for the appointment of a successor Trustee or successor Collateral Agent.

If the Trustee fails to comply with Section 7.9, unless the Trustee's duty to resign is stayed, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee or the Collateral Agent pursuant to this Section 7.7, the Issuer's obligations under Section 7.6 shall continue for the benefit of the retiring Trustee or retiring Collateral Agent.

SECTION 7.8. Successor by Merger. If the Trustee or the Collateral Agent consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall become the successor Trustee or successor Collateral Agent, as applicable, and shall succeed to the rights, powers, duties, immunities and privileges of its predecessor.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.9. Eligibility; Disqualification. The Trustee shall have a combined capital and surplus of at least \$50.0 million as set forth in its most recent filed annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

SECTION 7.10. Limitation on Duty. Neither the Trustee nor the Collateral Agent shall have any duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture, the Notes, the Guarantees and the Security Documents by the Issuer, the Guarantors or any other Person.

SECTION 7.11. Preferential Collection of Claims Against the Issuer. The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

SECTION 7.12. Reports by Trustee to Holders of the Notes. Within 60 days after each March 1, beginning with March 1, 2022, the Trustee shall mail to the Holders a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA § 313(b). The Trustee shall also transmit all reports as required by TIA § 313(c).

The Issuer shall promptly notify the Trustee in writing when any Notes are listed on any stock exchange and of any delisting thereof.

ARTICLE VIII

Discharge of Indenture; Defeasance

SECTION 8.1. Discharge of Liability on Notes; Defeasance.

(a) This Indenture, the Security Documents and the Intercreditor Agreement shall be discharged and shall cease to be of further effect, and any Collateral then securing the Notes shall be released (except as to surviving rights of registration of transfer or exchange of Notes and certain rights, indemnities and immunities of the Trustee and Collateral Agent, as expressly provided for in this Indenture) as to all outstanding Notes when:

(1) either (i) all of the Notes theretofore authenticated and delivered (other than Notes pursuant to Section 2.7 which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation or (ii) all of the Notes not previously delivered to the Trustee for cancellation (a) have become due and payable, (b) shall become due and payable at their Stated Maturity within one year or (c) have been called for redemption or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of a full redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor has deposited or caused to be deposited with the Trustee (in a manner that is not revocable by the

Issuer or any of its Affiliates) funds in cash in U.S. dollars, U.S. Government Obligations or a combination thereof in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of maturity or redemption, as the case may be, together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(2) the Issuer and/or the Guarantors have paid all other sums then due and payable under this Indenture; and

(3) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

(b) Subject to Sections 8.1(c) and 8.2, the Issuer at any time may terminate (i) all of its obligations under the Notes and this Indenture (with respect to such Notes) and have each Guarantor's obligation discharged with respect to its Guarantee ("legal defeasance option") and cure all then-existing Events of Default or (ii) its obligations under Sections 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 3.10, 3.11 and 3.14 and the operation of Section 4.1 (other than Sections 4.1(a)(i), (ii) and (vi) and Section 4.1(b)(i)(D)) and Sections 6.1(iii) (with respect to any Default under Sections 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 3.10, 3.11 and 3.14 and the covenants in the Security Documents), 6.1(iv), 6.1(v) (with respect to Significant Subsidiaries of the Issuer only), 6.1(vi) (with respect to Significant Subsidiaries of the Issuer only), 6.1(vii), 6.1(viii), 6.1(x) and 6.1(xi) ("covenant defeasance option").

The Issuer may exercise its legal defeasance option notwithstanding its prior exercise of the covenant defeasance option, and may exercise its legal defeasance option or covenant defeasance option with respect to any or all the Notes issued under this Indenture and the related Guarantees. In the event that the Issuer terminates all of its obligations under the Notes and this Indenture (with respect to such Notes) by exercising the legal defeasance option or the covenant defeasance option, the Liens, as they pertain to the Notes and Guarantees, will be released, and the obligations of each Guarantor under its Guarantee of such Notes, and, to the extent pertaining to the Notes and the Guarantees, the Security Documents and the Intercreditor Agreements, shall be terminated simultaneously with the termination of such obligations. If the Issuer exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect thereto. If the Issuer exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Section 6.1(iii) (with respect to any Default by the Issuer or any of its Restricted Subsidiaries with any of their obligations under Sections 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 3.10, 3.11 and 3.14 and the covenants in the Security Documents), 6.1(iv), 6.1(v) (with respect to Significant Subsidiaries of the Issuer only), 6.1(vi) (with respect to Significant Subsidiaries of the Issuer only), 6.1(vii), 6.1(viii), 6.1(x) or 6.1(xi).

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

(c) Notwithstanding clauses (a) and (b) above, the Issuer's obligations in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 7.6 and 7.7 and in this Article VIII shall survive until the Notes have been paid in full. Thereafter, the Issuer's obligations in Sections 7.6, 8.5 and 8.6 shall survive such satisfaction and discharge.

SECTION 8.2. Conditions to Defeasance.

(a) The Issuer may exercise its legal defeasance option or its covenant defeasance option only if:

(i) the Issuer irrevocably deposits or causes to be deposited with the Trustee cash in U.S. dollars, U.S. Government Obligations or a combination thereof in an amount in the opinion of a nationally recognized certified public accounting firm sufficient to pay the principal of, premium, if any, and interest on the applicable issue of Notes when due at maturity or redemption, as the case may be; *provided* that if such redemption is made pursuant to Paragraph 6(b) of the form of Note set forth in Exhibit A hereto (or any corresponding paragraph of a Global Note or a Definitive Note), then (x) the amount of money or U.S. Government Obligations that the Issuer must irrevocably deposit or cause to be deposited will be determined using an assumed Applicable Premium calculated as of the date of such deposit, as calculated by the Issuer or any direct or indirect parent of the Issuer in good faith, and (y) the Issuer must irrevocably deposit or cause to be deposited additional money in trust on the redemption date as necessary to pay the Applicable Premium as determined on such date;

(ii) the Issuer delivers to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations *plus* any deposited money without investment shall provide cash at such times and in such amounts as shall be sufficient to pay principal, premium, if any, and interest when due on all the Notes to maturity or redemption, as the case may be;

(iii) 91 days pass after the deposit is made and during the 91-day period no Default specified in Section 6.1(v) or 6.1(vi) with respect to the Issuer occurs which is continuing at the end of the period;

(iv) the deposit does not constitute a default under any other agreement binding on the Issuer;

(v) the Issuer delivers to the Trustee an Opinion of Counsel stating that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment advisor under the Investment Advisors Act of 1940;

(vi) in the case of the legal defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that (1) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (2) since the date of this Indenture there has been a change in the applicable U.S. federal income tax law, and such Opinion of Counsel shall confirm that, based thereon, the beneficial owners of the Notes shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(vii) in the case of the covenant defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that the beneficial owners of the Notes shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

(viii) the Issuer delivers to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes to be so defeased and discharged as contemplated by this Article VIII have been complied with.

Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of such Notes at a future date in accordance with Article V.

SECTION 8.3. Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations deposited with it pursuant to this Article VIII. It shall apply the deposited money and the money from U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

SECTION 8.4. Repayment to Issuer. Anything herein to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon Company Order any money or U.S. Government Obligations held by it as provided in this Article VIII which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect the legal defeasance option or covenant defeasance option, as applicable; *provided* that the Trustee shall not be required to liquidate any U.S. Government Obligations in order to comply with the provisions of this Section 8.4.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal of or interest on the Notes that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors.

SECTION 8.5. Indemnity for U.S. Government Obligations. The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.6. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the obligations of the Issuer and each Guarantor under this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article VIII; *provided, however*, that, if the Issuer or any of the Guarantors has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Issuer or any Guarantor, as the case may be, shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE IX

Amendments

SECTION 9.1. Without Consent of Holders.

(a) Notwithstanding Section 9.2 hereof, this Indenture, the Notes, the Guarantees, the Security Documents and the Intercreditor Agreements may be amended or supplemented by the Issuer, any Guarantor (with respect to this Indenture or a Guarantee to which it is a party), the Trustee and, if applicable, the Collateral Agent, without notice to or consent of any Holder:

(iii) to comply with Section 4.1;

(iv) to provide for the assumption by a successor Person of the obligations of the Issuer or any Guarantor under this Indenture, the Security Documents, the Intercreditor Agreements and the Notes or Guarantee, as the case may be;

(ix) to make any change that does not adversely affect the rights of any Holder in any material respect upon delivery to the Trustee of an Officer's Certificate certifying the absence of such adverse effect;

(x) to comply with any requirement of the SEC in connection with any qualification of this Indenture under the TIA;

(xi) to make any amendment to the provisions of this Indenture relating to the transfer and legending of the Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; *provided, however*, that (i) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(xii) to evidence and provide for the acceptance of appointment by a successor Trustee or Collateral Agent; *provided* that the successor Trustee or Collateral Agent is otherwise qualified and eligible to act as such under the terms of this Indenture, the Security Documents and the Intercreditor Agreements, as applicable;

(xiii) to provide for or confirm the issuance of Additional Notes in accordance with this Indenture;

(xiv) to secure additional extensions of credit and add additional secured creditors holding other Parity Lien Indebtedness so long as such Parity Lien Indebtedness is not prohibited by the provisions of this Indenture or any other then-existing Parity Lien Indebtedness; or

(xv) to add additional assets as Collateral.

(b) In addition, the holders will be deemed to have consented for purposes of the Security Documents and the Intercreditor Agreements to any of the following amendments and other modifications to the Security Documents or Intercreditor Agreements:

(i) (a) to add other parties (or any authorized agent thereof or trustee thereof) holding Parity Lien Indebtedness that is incurred in compliance with the ABL Credit Agreement, the Term Loan Credit Agreement, this Indenture, the Security Documents and the Intercreditor Agreements and (b) to establish that the Liens on any Collateral securing such Parity Lien Indebtedness shall be *pari passu* under the Pari Passu Intercreditor Agreement with the Liens on such Collateral securing the Obligations under this Indenture, the Notes and the Guarantees, all on the terms provided for in the Pari Passu Intercreditor Agreement in effect immediately prior to such amendment or other modification;

(ii) to establish that the Liens on any Collateral securing any Indebtedness replacing the Term Loan Credit Agreement permitted to be incurred under this Indenture shall be *pari passu* to the Liens on such Collateral securing any Obligations under this Indenture, the Notes and the Guarantees, all on the terms provided for in the Pari Passu Intercreditor Agreement in effect immediately prior to such amendment or other modification;

(iii) to establish that the Liens on any Current Asset Collateral securing any Indebtedness replacing the ABL Credit Agreement permitted to be incurred under this Indenture shall be senior to the Liens on such Current Asset Collateral securing any Obligations under this Indenture, the Notes and the Guarantees, and that the Liens on any Fixed Asset Collateral securing any such Indebtedness shall be junior to the Liens on such Fixed Asset Collateral securing any Obligations under this Indenture, the Notes and the Guarantees, all on the terms provided for in the ABL Intercreditor Agreement in effect immediately prior to such amendment and other modification; and

(iv) upon any cancellation or termination of the ABL Credit Agreement without a replacement thereof, to establish that the Current Asset Collateral (in addition to the Fixed Asset Collateral) shall secure the Obligations under this Indenture, the Notes and the Guarantees on a first-priority basis, subject to the terms of the Pari Passu Intercreditor Agreement in effect immediately prior to such amendment or other modification.

Any such additional party and the Term Loan Collateral Agent, ABL Collateral Agent, the Trustee and the Collateral Agent shall be entitled to conclusively rely upon an Officer's Certificate certifying that such Indebtedness was issued or borrowed in compliance with the Term Loan Credit Agreement, the ABL Credit Agreement, this Indenture and the Security Documents.

The Collateral Agent shall sign any amendment, waiver or other modification to the Security Documents or the Intercreditor Agreement set forth in this Section 9.1(b) if such amendment, waiver or other modification does not adversely affect the rights, duties, liabilities or immunities of the Collateral Agent. In executing any amendment, waiver or other modification to the Security Documents and the Intercreditor Agreements set forth in this Section 9.1(b), the Collateral Agent shall be entitled to receive and (subject to Section 7.1 hereof) shall be fully protected in relying upon an Officer's Certificate stating that the execution of such amendment, waiver or other modification is authorized or permitted by the applicable Security Document or Intercreditor Agreement, and complies with the provisions thereof. Notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel shall be required in connection with the execution by the Collateral Agent of any amendment, waiver or other modification to the Security Documents or the Intercreditor Agreements set forth in this Section 9.1(b).

SECTION 9.2. With Consent of Holders.

(a) This Indenture, the Notes, the Guarantees, the Security Documents and the Intercreditor Agreements may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, any Notes) and any existing or past Default or compliance with any provisions of such documents may be waived with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, any Notes); *provided* that (x) if any such amendment, supplement or waiver will only affect one series of Notes (or less than all series of Notes) then outstanding under this Indenture, then only the consent of the Holders of a majority in aggregate principal amount of the Notes of such series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, such series of Notes) shall be required and (y) if any such amendment, supplement or waiver by its terms will affect a series of Notes in a manner that is different from and materially adverse relative to the manner in which such amendment, supplement or waiver affects other series of Notes, then the consent of the Holders of a majority in aggregate principal amount of the Notes of such series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, such series of Notes) shall be required. However, without the consent of each Holder of a Note affected (including, for the avoidance of doubt, any Notes held by Affiliates), no amendment, supplement or waiver may (with respect to any Notes held by a non-consenting Holder):

- (i) reduce the percentage of the aggregate principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (ii) reduce the rate of or extend the time for payment of interest on any Note;
- (iii) reduce the principal of or change the Stated Maturity of any Note;

(iv) waive a Default in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes with respect to a nonpayment default by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration;

(v) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed as described under Section 5.1 or Paragraph 6 of the form of Note, set forth in Exhibit A hereto (or any corresponding paragraph of a Global Note or a definitive Note) (other than any change to the notice periods with respect to such redemption);

(vi) make any Note payable in money other than that stated in such Note;

(vii) impair the right of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(viii) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes;

(ix) make the Notes or any Guarantee subordinated in right of payment to any other obligations; or

(x) make any change in the amendment or waiver provisions of this Indenture that requires each Holder's consent, as described in clauses (i) through (ix) above.

(b) In addition, without the consent of the holders of at least 66²/₃% in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), no amendment, supplement or waiver may (1) have the effect of releasing all or substantially all of the Collateral from the Liens of the Security Documents (except as permitted by the terms of this Indenture, the Security Documents or the Intercreditor Agreements) or changing or altering the priority of the security interests of the Holders in the Collateral under the ABL Intercreditor Agreement or the Pari Passu Intercreditor Agreement, (2) make any change in the Security Documents, the Intercreditor Agreements or the provisions in this Indenture dealing with the application of proceeds of the Collateral that would adversely affect the Holders or (3) modify the Security Documents or the provisions of this Indenture dealing with Collateral in any manner adverse to the Holders in any material respect other than in accordance with the terms of this Indenture, the Security Documents or the Intercreditor Agreements; *provided* that (x) if any such amendment, supplement or waiver will only affect one series of Notes (or less than all series of Notes) then outstanding under this Indenture, then only the consent of the holders of at least 66²/₃% in aggregate principal amount of the Notes of such series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, such series of the Notes) shall be required.

(c) For the avoidance of doubt, the provisions hereunder with respect to the Issuer's obligation to make an offer to repurchase the Notes as a result of a Change of Control, including the definition of "Change of Control," or an Asset Sale may be waived or modified at any time (including after a Change of Control) with the written consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding.

(d) The consent of the Holders shall not be necessary under this Section 9.2 to approve the particular form of any proposed amendment. It shall be sufficient if such consent approves the substance of the proposed amendment. For the avoidance of doubt, no amendment to, or deletion of, any of the covenants contained in Article III of this Indenture (other than Section 3.1) shall be deemed to impair or affect any rights of Holders to receive payment of principal of, or premium, if any, or interest on, the Notes.

(e) After an amendment under this Section 9.2 becomes effective, the Issuer shall (or shall cause the Trustee, at the expense of and at the written request of the Issuer, to) mail or electronically deliver to the Holders affected thereby a notice briefly describing such amendment. The failure of the Issuer to deliver such notice, or any defect therein, shall not in any way impair or affect the validity of an amendment under this Section 9.2.

SECTION 9.3. Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. After an amendment or waiver becomes effective, it shall bind every Holder unless it makes a change described in clauses (i) through (x) of Section 9.2(a), in which case the amendment or waiver or other action shall bind each Holder who has consented to it and every subsequent Holder that evidences the same debt as the consenting Holder's Notes. An amendment or waiver made pursuant to Section 9.2 shall become effective upon receipt by the Trustee of the requisite number of written consents.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to take any such action, whether or not such Persons continue to be Holders after such record date.

SECTION 9.4. Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee, at the request of the Issuer, may require the Holder to deliver it to the Trustee. The Trustee, at the request of the Issuer, may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer so determines, the Issuer in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

SECTION 9.5. Trustee and Collateral Agent to Sign Amendments. The Trustee, and as applicable, the Collateral Agent, shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment, supplement or waiver does not, in the sole determination of the Trustee, and as applicable, the Collateral Agent, adversely affect the rights, duties, liabilities or immunities of the Trustee or the Collateral Agent, as applicable. If it does, the Trustee or the Collateral Agent, as applicable, may but need not sign it. In signing any amendment, supplement or waiver pursuant to this Article IX, the Trustee and the Collateral Agent shall be entitled to receive, and (subject to Sections 7.1 and 7.2) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by or complies with this Indenture, the Security Documents or the Intercreditor Agreements, as applicable, that all conditions precedent to such amendment required by this Indenture, the Security Documents or the Intercreditor Agreements, as applicable, have been complied with and that such amendment, supplement or waiver is the legally valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms, subject to customary exceptions. Notwithstanding the foregoing, no Opinion of Counsel will be required for the Trustee or Collateral Agent to execute any amendment or supplement entered into in connection with adding a new Guarantor under this Indenture or releasing a Guarantor pursuant to Section 10.2(b) hereof.

ARTICLE X
Guarantees

SECTION 10.1. Guarantees.

(a) Subject to the provisions of this Article X, each Guarantor hereby jointly and severally, irrevocably, fully and unconditionally guarantees, on a senior secured basis, as guarantor and not as a surety, with each other Guarantor, to each Holder, to the extent lawful, and the Trustee, the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other Obligations of the Issuer under this Indenture and the Notes (including, without limitation, interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Issuer or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding and the obligations under Section 7.6) (all the foregoing being hereinafter collectively called the "Guarantor Obligations"). Each Guarantor agrees (to the extent lawful) that the Guarantor Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it shall remain bound under this Article X notwithstanding any extension or renewal of any Guarantor Obligation.

(b) Each Guarantor waives (to the extent lawful) presentation to, demand of, payment from and protest to the Issuer of any of the Guarantor Obligations and also waives (to the extent lawful) notice of protest for nonpayment. Each Guarantor waives (to the extent lawful) notice of any default under the Notes or the Guarantor Obligations.

(c) Each Guarantor further agrees that its Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guarantor Obligations.

(d) Except as set forth in Section 10.2 and Article VIII, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guarantor Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not (to the extent lawful) be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or

unenforceability of the Guarantor Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not (to the extent lawful) be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder for the Guarantor Obligations or any of them; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Issuer; (g) any default, failure or delay, willful or otherwise, in the performance of the Guarantor Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

(e) Each Guarantor agrees that its Guarantee herein shall remain in full force and effect until payment in full of all the Guarantor Obligations or such Guarantor is released from its Guarantee in compliance with Section 4.1, Section 10.2 and Article VIII. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, or interest on any of the Guarantor Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Issuer or otherwise.

(f) In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay any of the Guarantor Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee or the Trustee on behalf of the Holders an amount equal to the sum of (i) the unpaid amount of such Guarantor Obligations then due and owing and (ii) accrued and unpaid interest on such Guarantor Obligations then due and owing (but only to the extent not prohibited by law) (including interest accruing after the filing of any petition in bankruptcy or the commencement of any insolvency, reorganization or like proceeding relating to the Issuer or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding).

(g) Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guarantor Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantor Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guarantor Obligations, such Guarantor Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Guarantee.

(h) Each Guarantor also agrees to pay any and all reasonable costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or the Holders in enforcing any rights under this Section.

(i) Neither the Issuer nor the Guarantors shall be required to make a notation on the Notes to reflect any Guarantee or any release, termination or discharge thereof and any such notation shall not be a condition to the validity of any Guarantee.

SECTION 10.2. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder shall be limited to the maximum amount as shall, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law or the laws of the jurisdiction of organization of such Guarantor and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) A Guarantee by a Subsidiary Guarantor shall be automatically and unconditionally released and discharged, and each Subsidiary Guarantor and its obligations under the Guarantee and this Indenture shall be released and discharged upon:

(1) the sale, exchange, disposition or other transfer (including through merger, consolidation or dissolution) of (x) the Capital Stock of such Subsidiary Guarantor, if after such transaction the Subsidiary Guarantor is no longer a Restricted Subsidiary, or (y) all or substantially all the assets of such Subsidiary Guarantor, if such sale, exchange, disposition or other transfer (including through merger, consolidation or dissolution) is made in compliance with this Indenture, so long as such Subsidiary Guarantor is also released from its guarantee and all pledges and security interests granted in connection with any Indebtedness under the Senior Credit Agreements and Certain Capital Markets Debt;

(2) the Issuer designating such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the provisions set forth in Section 3.4, Section 3.14 and the definition of "Unrestricted Subsidiary";

(3) in the case of any Restricted Subsidiary that after the Issue Date is required to guarantee the Notes pursuant to Section 3.11, the release or discharge of the guarantee by such Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary or the repayment of the Indebtedness, in each case, that resulted in the obligation to guarantee the Notes (and the release, discharge or repayment of any other Indebtedness that would require such Restricted Subsidiary to guarantee the Notes pursuant to Section 3.11), except by reason of payment under or the termination or repayment of the Senior Credit Agreements or Certain Capital Markets Debt or if a release, discharge or repayment is by or as a result of payment in connection with the enforcement of remedies under such other guarantee or Indebtedness;

(4) the Issuer's exercise of its legal defeasance option or covenant defeasance option as described under Article VIII or if this Indenture is discharged (including through redemption or repurchase of all the Notes as a result of satisfaction and discharge or otherwise) as described under Article VIII;

(5) the release or discharge of the guarantee by, or direct obligation of, such Subsidiary Guarantor of the Obligations under the Senior Credit Agreements, all other Parity Lien Indebtedness and Certain Capital Markets Debt, except by reason of payment under or the termination or repayment of the Senior Credit Agreements or Certain Capital Markets Debt or a discharge or release by or as a result of payment in connection with the enforcement of remedies under such guarantee or direct obligation, but only if the Liens on the Collateral of such Subsidiary Guarantor are also substantially concurrently released pursuant to the terms of this Indenture;

(6) such Subsidiary Guarantor ceasing to be a Domestic Subsidiary; or

(7) upon the occurrence of a Covenant Suspension Event pursuant to Section 3.15.

A Guarantee of a Subsidiary Guarantor also will be automatically released upon the applicable Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing either Senior Credit Agreement, this Indenture or any other Parity Lien Indebtedness or Priority Lien Indebtedness or other exercise of remedies in respect thereof in accordance with the Intercreditor Agreements.

The Guarantee of Holdings will be released if the Issuer exercises its legal defeasance option or covenant defeasance option as described under Section 8.2, if the Issuer's Obligations under this Indenture are discharged (including pursuant to a satisfaction and discharge of this Indenture as described under Section 8.1 or through redemption or repurchase of all the Notes or otherwise) in accordance with the terms of this Indenture or if there is a release or discharge of such Guarantee by, or direct obligation of, Holdings of the Obligations under the Senior Credit Agreements, except by reason of payment under or the termination or repayment of the Senior Credit Agreements or Certain Capital Markets Debt or a discharge or release by or as a result of payment in connection with the enforcement of remedies under such guarantee or direct obligation.

(c) If any Subsidiary Guarantor is released from its Guarantee, any of its Subsidiaries that are Guarantors shall be released from their Guarantees, if any (except to the extent any such Subsidiaries are required to guarantee the Senior Credit Agreements).

(d) In the case of Section 10.2(b), to the extent the Issuer requests evidence of the release of a Guarantor through a supplemental indenture or amendment to this Indenture or other documentation, the Issuer shall deliver to the Trustee an Officer's Certificate stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(e) The release of a Guarantor from its Guarantee and its obligations under this Indenture in accordance with the provisions of this Section 10.2 shall not preclude the future applications of Section 3.11 to such Person.

SECTION 10.3. Right of Contribution. Each Guarantor hereby agrees that to the extent that any such Guarantor shall have paid more than its proportionate share of any payment made on the obligations under its Guarantee, such Guarantor shall be entitled to seek and receive contribution from and against the Issuer or any other Guarantor that has not paid its proportionate share of such payment. The provisions of this Section 10.3 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

SECTION 10.4. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Issuer or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guarantor Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuer or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Issuer on account of the Guarantor Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guarantor Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guarantor Obligations.

SECTION 10.5. [Reserved].

SECTION 10.6. Execution and Delivery.

(a) To evidence its Guarantee set forth in Section 10.1, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer or person holding an equivalent title.

(b) Each Guarantor hereby agrees that its Guarantee set forth in Section 10.1 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(c) If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantees shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

(e) If required by Section 3.11, the Issuer shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 3.11 and this Article X, to the extent applicable.

ARTICLE XI

COLLATERAL AND SECURITY

SECTION 11.1. Collateral.

(a) The due and punctual payment of the principal of, premium, if any, and interest on the Notes and the Guarantees when and as the same shall be due and payable, whether on an Interest Payment Date, at maturity, by acceleration, repurchase, redemption or otherwise, interest on the overdue principal of and interest (to the extent permitted by law), if any, on the Notes and the Guarantees and performance of all other obligations under this Indenture, including, without limitation, the obligations of the Issuer set forth in Section 7.6, and the Notes, the Guarantees and the Security Documents, shall be secured by a Lien on the Fixed Asset Collateral on a first-priority basis and secured by a Lien on the Current Asset Collateral on a second-priority basis, in each case subject to Permitted Liens, as provided in this Indenture and the Security Documents to which the Issuer and the Guarantors, as the case may be, shall become parties to on the Issue Date or thereafter and will be secured by all of the Collateral pledged pursuant to the Security Documents hereafter delivered as required or permitted by this Indenture and the Security Documents. The Issuer, for the benefit of the Holders, hereby appoints Wilmington Trust, National Association as the initial Collateral Agent, and the Collateral Agent is hereby authorized and directed to execute and deliver the Security Documents and the Intercreditor Agreements. Each Holder by its acceptance of any Notes and the Guarantees thereof, irrevocably consents and agrees to such appointment.

(b) Each Holder, by its acceptance of any Notes and the Guarantees, consents and agrees to the terms of the Security Documents and the Intercreditor Agreements (including, without limitation, the provisions providing for foreclosure and release of Collateral and the automatic amendments, supplements, consents, waivers and other modifications thereto without the consent of the Holders) as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and authorizes and directs the Collateral Agent to perform its obligations and exercise its rights under the Security Documents and the Intercreditor Agreements in accordance therewith.

(c) The Trustee and each Holder, by accepting the Notes and the Guarantees, acknowledges that, as more fully set forth in the Security Documents and the Intercreditor Agreements, the Collateral as hereafter constituted shall be held for the benefit of all the Holders and the Trustee, and that the Lien of this Indenture and the Security Documents in respect of the Trustee and the Holders is subject to and qualified and limited in all respects by the Security Documents and the Intercreditor Agreements and actions that may be taken thereunder.

SECTION 11.2. Maintenance of Collateral. The Issuer and the Guarantors shall maintain the Collateral in good, safe and insurable operating order, condition and repair (ordinary wear and tear excepted and casualty or condemnation excepted) and shall do all other acts as may be reasonably necessary or appropriate to maintain and preserve the Collateral; *provided* that the Issuer and the Guarantors may dispose of Collateral to the extent permitted by Section 3.7 hereof. Except as would not, individually or in the aggregate, reasonably be expected to have (a) a material adverse effect on the business, assets, liabilities (actual or contingent), financial condition or results of operations of the Issuer and its Restricted Subsidiaries, taken as a whole, (b) a material adverse effect on the ability of the Issuer and the Guarantors (taken as a whole) to perform their respective obligations hereunder or under the Security Documents or (c) a material adverse effect on the rights and remedies of the Holders under this Indenture or the Security Documents, the Issuer and the Guarantors shall pay all real estate and other taxes (except such as are being contested in good faith and by appropriate negotiations or proceedings), and maintain in full force and effect all material permits and insurance in amounts and that insures against such losses and risks as are reasonable for the type and size of the business conducted by the Issuer and the Guarantors.

SECTION 11.3. Impairment of Security Interest. Neither the Issuer nor any of its Restricted Subsidiaries will (i) take or knowingly or negligently omit to take any action which would materially adversely affect or impair the Liens in favor of the Collateral Agent and the Holders with respect to the Collateral, unless such action or failure to take action is otherwise permitted by this Indenture, the Security Documents or the Intercreditor Agreements or (ii) grant any Person, or permit any Person to retain (other than the Collateral Agent), any Liens on the Collateral, other than Permitted Liens. The Issuer and each Guarantor will, at its sole cost and expense, execute, deliver and file all such agreements and instruments as necessary, or as the Trustee or the Collateral Agent reasonably requests, to more fully or accurately describe the assets and property intended to be Collateral or the Obligations intended to be secured by the Security Documents.

SECTION 11.4. Further Assurances. To the extent required under this Indenture or any of the Security Documents or the Intercreditor Agreements, the Issuer and the Guarantors shall execute any and all further documents, financing statements, agreements and instruments, and take all further actions that may be required under applicable law, or that the Collateral Agent or the Trustee may reasonably request, in order to grant, preserve, protect and perfect the validity and priority of the security interests and Liens created or intended to be created by the Security Documents in the Collateral. In addition, to the extent required under this Indenture or any of the Security Documents, from time to time, the Issuer and the Guarantors will reasonably promptly secure the obligations under this Indenture and Security Documents by pledging or creating, or causing to be pledged or created, perfected security interests and Liens with respect to the Collateral to the extent required by this Indenture and/or the Security Documents.

SECTION 11.5. After-Acquired Property. Upon the acquisition by any of the Issuer or the Guarantors on or after the Issue Date of any assets (other than Excluded Assets), including, but not limited to, any real property that qualifies as Collateral or any equipment or fixtures which constitute accretions, additions or technological upgrades to the equipment or fixtures or any working capital assets that, in any such case, form part of the Collateral, the Issuer or such Guarantor shall execute and deliver (i) with regard to real property that qualifies as Collateral, the items set forth in Section 11.6 below within 90 days of the date of acquisition of the applicable asset (or such later date as the Term Loan Collateral Agent may have agreed to under the Term Loan Credit Agreement) and (ii) with regard to any other after-acquired property promptly, and in any event within the time period required for delivery to the Term Loan Collateral Agent under the Term Loan Credit Agreement or as otherwise required by this Indenture or the Security Documents, any information, documentation, financing statements or other certificates and opinions of counsel as may be necessary to vest in the Collateral Agent a perfected security interest, with the priority required by this Indenture and the Security Documents, subject only to Permitted Liens, in such after-acquired property and to have such after-acquired property added to the Collateral, and thereupon all provisions of this Indenture and the Security Documents relating to the Collateral shall be deemed to relate to such after-acquired property to the same extent and with the same force and effect.

SECTION 11.6. Real Estate Mortgages and Filings. With respect to any fee interest in any Premises owned by the Issuer or a Guarantor on the Issue Date or acquired by the Issuer or a Guarantor after the Issue Date that forms a part of the Collateral, within 90 days of the Issue Date or the date of acquisition, as applicable (or, in the case of any fee interest in any Premise acquired after the Issue Date, such later date as the Term Loan Collateral Agent may have agreed to under the Term Loan Credit Agreement) (in each case solely to the extent, and substantially in the form, delivered to the Term Loan Collateral Agent, but no greater scope):

(a) the Issuer or such Guarantor shall deliver to the Collateral Agent, as mortgagee or beneficiary, as applicable, for the ratable benefit of itself, the Trustee and the Holders, fully executed counterparts of mortgages, deeds of trust, security deeds or deeds to secure debt (each, a "Mortgage") in accordance with the requirements of this Indenture and/or the Security Documents, duly executed and acknowledged by the Issuer or such Guarantor, and otherwise in form for recording in the recording office of each applicable political subdivision where each Premises is situated, together with such certificates, affidavits, questionnaires or returns as shall be reasonably required in connection with the recording or filing thereof and evidence of the completion (or satisfactory arrangements for the completion) of all recordings and filings of such Mortgage (and payment of any taxes or fees in connection therewith), together with any necessary fixture filings, as may be necessary to create a valid, perfected Lien, with the priority required by this Indenture and the Security Documents, subject to Permitted Liens, against the Premises purported to be covered thereby;

(b) the Collateral Agent shall have received mortgagee's title insurance policies (or a binding pro forma title insurance policy or marked-up unconditional binder of title insurance) in favor of the Collateral Agent, and its successors and/or assigns, in the form necessary, with respect to the Premises purported to be covered by the applicable Mortgages, which shall insure that the interests created by the Mortgages constitute valid Liens on the applicable Premises, with the priority required by this Indenture and the Security Documents, free and clear of all Liens, defects and encumbrances, other than Permitted Liens. All such title policies shall be in amounts equal to the estimated fair market value of the Premises covered thereby, and such policies shall also include, to the extent available, all such endorsements as shall be reasonably required in transactions of similar size and purpose and shall be accompanied by evidence of the payment in full by the Issuer or the applicable Guarantor of all premiums thereon (or that satisfactory arrangements for such payment have been made) and that all charges for mortgage recording taxes, filing and recording fees and all related expenses, if any, have been paid;

(c) the Collateral Agent shall have received a copy of all recorded documents referred to, or listed as exceptions to title in, the title policy or policies referred to in clause (b) above and a copy of all other material documents affecting the Premises;

(d) if requested by the Term Loan Collateral Agent under the Term Loan Credit Agreement, the Collateral Agent shall have received, and the title insurance company issuing the policy referred to in clause (b) above (the "Title Insurance Company") shall have received an ALTA survey or other survey of the sites of the Premises in a manner customary for the type of real property subject to such survey, dated as of a date that is reasonably satisfactory to the Title Insurance Company by an independent professional licensed land surveyor reasonably satisfactory to the Title Insurance Company, or in lieu thereof, existing surveys, together with any affidavits or certificates required by the Title Insurance Company as shall be sufficient to enable the Title Insurance Company to remove any standard survey exceptions from the applicable title insurance policy and issue customary survey-dependent endorsements to the applicable title insurance policy; and

(e) the Issuer or the Guarantors shall deliver to the Collateral Agent customary local counsel opinions and opinions of counsel in the jurisdiction of organization of the owner of the applicable Premises.

SECTION 11.7. Negative Pledge. The Issuer and each Guarantor shall not, and the Issuer shall not permit any of its Restricted Subsidiaries to, further pledge the Collateral as security or otherwise, subject to Permitted Liens; *provided, however*, that the Issuer, subject to compliance with Section 3.3 and Section 3.5, shall be permitted to issue an unlimited aggregate principal amount of Additional Notes, all of which may be secured by the Collateral.

SECTION 11.8. Release of Liens on the Collateral.

(a) The Liens on the Collateral will be released with respect to the Notes and the related Guarantees, as applicable:

(1) in whole, upon payment in full of the principal of, together with accrued and unpaid interest and premium, if any, on, the Notes and all other related Obligations under this Indenture, the Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest and premium, if any, are paid;

(2) in whole, upon satisfaction and discharge of this Indenture in accordance with Article VIII;

(3) in whole, upon a legal defeasance or covenant defeasance as set forth under Article VIII;

(4) in whole or in part, as to any asset constituting Collateral, in accordance with, and as expressly provided for under, the Security Documents, the Intercreditor Agreements and this Indenture;

(5) with the consent of Holders of at least 66²/₃% in aggregate principal amount of such series of Notes, including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, such series of Notes as provided under Section 9.2;

(6) in the case of a Subsidiary Guarantor that is released from its Guarantee with respect to the Senior Credit Agreements and any other Parity Lien Indebtedness other than by reason of payment under or the termination or repayment of the Term Loan Credit Agreement or such other Parity Lien Indebtedness, the release of the property and assets of such Guarantor or a discharge or release by or as a result of payment in connection with the enforcement of remedies under such guarantee or direct obligation, but only if the Liens on the Collateral of such Guarantor are also substantially concurrently released pursuant to the terms thereof; and

(7) in part, as to any property or assets constituting Collateral, to enable the disposition of such property or other assets (to a Person that is not the Issuer or a Guarantor) to the extent not prohibited by Section 3.7.

(b) The Issuer or the applicable Guarantor will furnish to the Trustee and the Collateral Agent, prior to each proposed release of Collateral pursuant to Sections 11.8(a)(1) through (6) or pursuant to the Security Documents:

(1) an Officer's Certificate to the effect that all conditions precedent provided for in this Indenture and the Security Documents to such release have been complied with;

(2) solely in the case of a release described in Section 11.8(a)(1) through (5), an Opinion of Counsel in accordance with Section 12.2(ii); and

(3) a form of such release (which release shall provide that the requested release is without recourse or warranty to the Trustee or the Collateral Agent).

(c) Upon compliance by the Issuer or any Guarantor, as the case may be, with the conditions precedent set forth above, and if required by this Indenture upon delivery by the Issuer or such Guarantor to the Trustee of an Officer's Certificate (and, with respect to a release described in Section 11.8(a)(1) through (5), an Opinion of Counsel in accordance with Section 12.2(ii)) to the effect that such conditions precedent have been complied with, the Trustee shall direct the Collateral Agent to promptly cause to be released and reconveyed to the Issuer or the relevant Guarantor, as the case may be, the released Collateral, and take all other actions reasonably requested by the Issuer or such Guarantor in connection therewith, at the Issuer's expense.

SECTION 11.9. Authorization of Actions to be Taken by the Trustee or the Collateral Agent under the Security Documents and the Intercreditor Agreements.

(a) Subject to the provisions of Article VII of this Indenture and the provisions of the Security Documents and the Intercreditor Agreements, each of the Trustee or the Collateral Agent may (but shall in no event be required to), in its sole discretion and without the consent of the Holders, on behalf of the Holders, take all actions it deems necessary or appropriate in order to (i) enforce any of its rights or any of the rights of the Holders under the Security Documents and the Intercreditor Agreements and (ii) collect and receive any and all amounts payable in respect of the Collateral in respect of the obligations of the Issuer and the Guarantors hereunder and thereunder. Subject to the provisions of the Security Documents and the Intercreditor Agreements, the Trustee or the Collateral Agent shall have the power, but not the obligation, to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as the Trustee or the Collateral Agent may deem expedient to preserve or protect its interest and the interests of the Holders in the Collateral (including the power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders or the Trustee).

(b) The Trustee or the Collateral Agent shall not be liable or responsible for, and shall make no representation as to the existence, genuineness, value (or diminution of value) or protection of, any Collateral, for the legality, validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action on its part hereunder, except to the extent such action constitutes negligence (or, in the case of the Collateral Agent, gross negligence) or willful misconduct on the part of the Trustee or the Collateral Agent, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of the Issuer to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. In addition, neither the Trustee nor the Collateral Agent shall have responsibility or liability in connection with the acts or omissions of the Issuer or the Guarantors in respect of the pledge and security interest granted to the Collateral Agent and Trustee under the Indenture or Security Documents or otherwise. The Trustee or the Collateral Agent shall have no liability or responsibility for recording, filing, re-recording or refiling any financing statement, continuation statement, termination statement, document, instrument or other notice in any public office at any time or times or to otherwise take any action to perfect or maintain the perfection or priority of any security interest granted to it under this Indenture or the Security Documents or otherwise. Beyond the exercise of reasonable care in the custody thereof, the Trustee and the Collateral Agent shall have no duty as to any Collateral in their possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto. The Trustee and the Collateral Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in their possession if the Collateral is accorded treatment substantially equal to that which they accord their own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Trustee or the Collateral Agent, as the case may be, in good faith. The Trustee and the Collateral Agent shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture or the Security Documents by the Issuer or the Guarantors.

(c) Where any provision of this Indenture requires that additional property or assets be added to the Collateral, the Issuer and each Guarantor, as applicable, shall deliver to the Trustee or the Collateral Agent the following:

- (1) a request from the Issuer that such Collateral be added;

(2) the form of instrument adding such Collateral, which, based on the type and location of the property subject thereto, shall be in substantially the form of the applicable Security Documents entered into on the Issue Date or on the date first delivered in the case of Collateral that is permitted hereunder to be delivered after the Issue Date, with such changes thereto as the Issuer shall consider appropriate, or in such other form as the Issuer shall deem proper; *provided* that any such changes or such form are administratively satisfactory to the Trustee or the Collateral Agent;

(3) an Officer's Certificate to the effect that the Collateral being added is in the form, consists of the assets and is in the amount or otherwise has the Fair Market Value required by this Indenture;

(4) an Officer's Certificate and Opinion of Counsel to the effect that all conditions precedent provided for in this Indenture to the addition of such Collateral have been complied with, which Opinion of Counsel shall also opine as to the creation and perfection of the Collateral Agent's Lien on such Collateral and as to the due authorization, execution, delivery, validity and enforceability of the Security Document being entered into; and

(5) such security instruments, financing statements, mortgages, deeds of trust and other related real estate deliverables, if any, as the Issuer shall deem necessary to perfect the Collateral Agent's security interest in such Collateral.

(d) The Trustee or the Collateral Agent, in giving any consent or approval under the Security Documents, shall be entitled to receive, as a condition to such consent or approval, an Officer's Certificate to the effect that the action or omission for which consent or approval is to be given is authorized and permitted according to the terms of this Indenture and the Security Documents, and the Trustee or the Collateral Agent shall be fully protected in giving such consent or approval on the basis of such Officer's Certificate.

SECTION 11.10. Information Regarding Collateral.

(a) The Issuer will furnish to the Collateral Agent, with respect to the Issuer or any Guarantor, within 30 days of the occurrence thereof, written notice of any change in such Person's (1) legal name, (2) jurisdiction of organization or formation, (3) identity or corporate structure or (4) Organizational Identification Number. Promptly upon the occurrence of any of the foregoing, the Issuer and the Guarantors will make all filings under the UCC and any other applicable laws that are required by this Indenture and/or the Security Documents in order for the Collateral to be made subject to the Lien of the Collateral Agent under this Indenture and/or the Security Documents in the manner and to the extent required by this Indenture or any of the Security Documents and shall take all necessary action so that such Lien is perfected with the same priority as immediately prior to such change to the extent required by this Indenture and/or the Security Documents. The Issuer shall promptly notify the Collateral Agent in writing if any material portion of the Collateral is damaged, destroyed or condemned.

(b) The Issuer shall deliver to the Trustee and the Collateral Agent an Officer's Certificate attaching supplemental schedules required under the Security Documents to the extent required under and at the same time as similar supplemental schedules are delivered to (or would have been required to be delivered to) the Term Loan Collateral Agent or ABL Collateral Agent.

SECTION 11.11. Security Documents and Intercreditor Agreements. The provisions in this Indenture relating to Collateral are subject to the provisions of the Security Documents and the Intercreditor Agreements. The Issuer, the Guarantors, the Trustee and the Collateral Agent acknowledge and agree to be bound by the provisions of the Security Documents and the Intercreditor Agreements.

SECTION 11.12. Collateral Agent. Notwithstanding anything else to the contrary herein, whenever reference is made in this Indenture, the Security Documents or the Intercreditor Agreements to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction, reasonable satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Collateral Agent, it is understood that in all cases the Collateral Agent shall be fully justified in failing or refusing to take any such action under this Indenture, the Security Documents or the Intercreditor Agreements if it shall not have received such written instruction, advice or concurrence of the Holders of a majority of an aggregate principal amount of the Notes.

In giving such Opinion of Counsel, counsel may rely as to factual matters on an Officer's Certificate or on certificates of public officials.

SECTION 12.4. [Reserved].

SECTION 12.5. Rules by Trustee, Paying Agent and Registrar. The Trustee may make reasonable rules for action by, or a meeting of, Holders. The Registrar and the Paying Agent may make reasonable rules for their functions.

SECTION 12.6. Days Other than Business Days. If a payment date is not a Business Day, payment shall be made on the next succeeding day that is a Business Day, and no interest shall accrue for the intervening period. If a regular Record Date is not a Business Day, the Record Date shall not be affected. To the extent the date of delivery of any document required to be delivered pursuant to any provision of this Indenture falls on a day that is not a Business Day, the applicable required date of delivery shall be deemed to be the next succeeding day that is a Business Day.

SECTION 12.10. No Recourse Against Others. No manager, managing director, director, officer, employee, incorporator or holder of any equity interests in the Issuer, any Subsidiary or any direct or indirect parent of the Issuer, as such, shall have any liability for any obligations of the Issuer or any Guarantor under the Notes, this Indenture, the Security Documents, the Intercreditor Agreements or any Guarantee or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting a Note, each Holder shall waive and release all such liability. The waiver and release shall be part of the consideration for the issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

SECTION 12.11. Successors. All agreements of the Issuer and each Guarantor in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee, the Collateral Agent and the Agents in this Indenture shall bind its successors.

SECTION 12.12. Multiple Originals. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. Delivery of an executed counterpart of a signature page to this Indenture by telecopier, facsimile or other electronic transmission (e.g., a "pdf" or "tif") shall be effective as delivery of a manually executed counterpart thereof. One signed copy is enough to prove this Indenture. Unless otherwise provided herein or in any other related document, the words "execute," "execution," "signed" and "signature" and words of similar import used in or related to any document to be signed in connection with this Indenture, any other related document or any of the transactions contemplated hereby (including amendments, waivers, consents and other modifications) shall be deemed to include electronic signatures and the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature in ink or the use of a paper-based recordkeeping system, as applicable, to the fullest extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other similar state laws based on the Uniform Electronic Transactions Act. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other signature law due to the character or intended character of the writings.

SECTION 12.13. Separability. In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

SECTION 12.14. Variable Provisions. The Issuer initially appoints the Trustee as Paying Agent and Registrar and Notes Custodian with respect to any Global Notes.

SECTION 12.15. Table of Contents; Headings. The table of contents, cross-reference sheet and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 12.16. Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, epidemics, pandemics, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services, the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

SECTION 12.17. USA Patriot Act. The parties hereto acknowledge that in accordance with Section 326 of the USA Patriot Act the Trustee and the Trust Officers, like all financial institutions and in order to help fight the funding of terrorism and money laundering, are required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account. The parties to this agreement agree that they shall provide the Trustee and the Trust Officers with such information as they may request in order to satisfy the requirements of the USA Patriot Act.

SECTION 12.18. Entire Agreement. This Indenture, the Notes, the Security Documents and the exhibits thereto set forth the entire agreement and understanding of the parties related to this transaction and supersede all prior agreements and understandings, oral or written.

SECTION 12.19. Communication by Holders with Other Holders. Holders may communicate pursuant to TIA § 312(b) with other Holders with respect to their rights under this Indenture or the Notes. The Issuer, the Trustee, the Registrar and anyone else shall have the protection of TIA § 312(c).

SECTION 12.20. TIA § 314(d) Not Applicable. For the avoidance of doubt, the Issuer and the Guarantors shall not be subject to TIA § 314(d).

ARTICLE XIII

Measuring Compliance

SECTION 13.1. Compliance in Connection with Certain Investments and Repayments.

(a) With respect to any (x) Investment or acquisition, merger, amalgamation, Division or similar transaction, in each case, the consummation of which is not conditioned on the availability of, or on obtaining, third-party financing and (y) repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock with respect to which a notice of repayment (or similar notice), which may be conditional, has been delivered, in each case for purposes of determining:

(i) whether any Indebtedness (including Acquired Indebtedness), Disqualified Stock or Preferred Stock that is being Incurred in connection with such Investment, acquisition, merger, amalgamation, Division or similar transaction or repayment, repurchase or refinancing is permitted to be Incurred in compliance with Section 3.3;

(ii) whether any Lien being Incurred in connection with such Investment, acquisition, merger, amalgamation, Division or similar transaction or repayment, repurchase or refinancing or to secure any such Indebtedness, Disqualified Stock or Preferred Stock is permitted to be Incurred in compliance with Section 3.5;

(iii) whether any other transaction or plan undertaken or proposed to be undertaken in connection with such Investment, acquisition, merger, amalgamation, Division or similar transaction or repayment, repurchase or refinancing (including any Restricted Payments, dispositions, fundamental changes or designations of Restricted Subsidiaries or Unrestricted Subsidiaries) complies with the covenants or agreements contained in this Indenture or the Notes; and

(iv) any calculation of the ratios, baskets or financial metrics, including Borrowing Base, Consolidated First Lien Net Leverage Ratio, Consolidated Funded First Lien Indebtedness, Consolidated Senior Secured Net Leverage Ratio, Consolidated Total Net Leverage Ratio, Fixed Charge Coverage Ratio, Consolidated Cash Interest Expense, Consolidated EBITDA, Consolidated Funded Indebtedness, Consolidated Funded Senior Secured Indebtedness, Consolidated Interest Expense, Consolidated Net Income, Consolidated Net Tangible Assets, Consolidated Total Assets, Four Quarter Consolidated EBITDA and/or Pro Forma Cost Savings and baskets determined by reference to Consolidated EBITDA, Consolidated Funded First Lien Indebtedness, Consolidated Funded Indebtedness, Consolidated Funded Senior Secured Indebtedness, Consolidated Interest Expense, Consolidated Net Income, Consolidated Net Tangible Assets, Consolidated Total Assets or Four Quarter Consolidated EBITDA, and whether a Default or Event of Default exists in connection with the foregoing;

at the option of the Issuer, the date that the definitive agreements (or other relevant definitive documentation) are entered into for, or public announcement is made of, such Investment, acquisition, merger, amalgamation, Division or similar transaction or repayment, repurchase or refinancing or Incurrence of Indebtedness, Disqualified Stock, Preferred Stock or Lien, or the date of any notice, which may be conditional, of such repayment, repurchase or refinancing given to the holders of such Indebtedness, Disqualified Stock or Preferred Stock (the "Transaction Commitment Date"), may be used as the applicable date of determination, as the case may be, in each case with such *pro forma* adjustments as are appropriate and consistent with the *pro forma* adjustment provisions set forth in the definition of "Pro Forma Basis" or "Consolidated EBITDA." For the avoidance of doubt, if the Issuer elects to use the Transaction Commitment Date as the applicable date of determination in accordance with the foregoing, (a) any fluctuation or change in (i) the Borrowing Base, Consolidated First Lien Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio, Consolidated Total Net Leverage Ratio, Fixed Charge Coverage Ratio, Consolidated Cash Interest Expense, Consolidated EBITDA, Consolidated Funded First Lien Indebtedness, Consolidated Funded Indebtedness, Consolidated Funded Senior Secured Indebtedness, Consolidated Interest Expense, Consolidated Net Income, Consolidated Net Tangible Assets, Consolidated Total Assets, Four Quarter Consolidated EBITDA and/or Pro Forma Cost Savings or (ii) the applicable exchange rate utilized in calculating compliance with any dollar-based provision of this Indenture from the Transaction Commitment Date to the date of consummation of such Investment, acquisition, merger, amalgamation, Division or similar transaction or repayment, repurchase or refinancing, will not be taken into account for purposes of determining whether any Indebtedness, Disqualified Stock, Preferred Stock or Lien that is being Incurred in connection with such Investment, acquisition, merger, amalgamation, Division or similar transaction or repayment, repurchase or refinancing, or in connection with compliance by the Issuer or any of its Restricted Subsidiaries with any other provision of this Indenture or the Notes or any other transaction or action undertaken in connection with such Investment, acquisition, merger, amalgamation, Division or similar transaction or repayment, repurchase or refinancing, is permitted to be Incurred, and (b) until such Investment, acquisition, merger, amalgamation, Division or similar transaction or repayment, repurchase or refinancing is consummated or such definitive agreements (or other relevant definitive documentation) are terminated (or conditions in any conditional notice can no longer be met or public announcements with respect thereto are withdrawn), such Investment, acquisition, merger, amalgamation, Division or similar transaction or repayment, repurchase or refinancing and all transactions proposed to be undertaken in connection therewith (including the Incurrence of Indebtedness, Disqualified Stock, Preferred Stock and Liens) will be given *pro forma* effect when determining compliance of other transactions (including the Incurrence of Indebtedness, Disqualified Stock, Preferred Stock and Liens unrelated to such Investment, acquisition, merger, amalgamation, Division or similar transaction or repayment, repurchase or refinancing) that are consummated after the Transaction Commitment Date and on or prior to the date of consummation of such Investment, acquisition, merger, amalgamation, Division or similar transaction or repayment, repurchase or refinancing, and any such transactions (including any incurrence of Indebtedness, Disqualified Stock or Preferred Stock and the use of proceeds thereof) will be deemed to have occurred on the date the definitive agreements (or other relevant definitive documentation) are entered into or public announcement is made, and deemed to be outstanding thereafter for purposes of calculating any baskets, ratios or financial metrics under this Indenture after the date of such definitive agreement (or other relevant definitive documentation) and before the date of consummation of such Investment, acquisition, merger, amalgamation, Division or similar transaction or repayment, repurchase or refinancing. In addition, compliance with any requirement relating to the absence of a Default, Event of Default or Specified Event of Default may be determined as of the Transaction Commitment Date and not as of any later date as would otherwise be required hereunder.

(b) For purposes of determining the maturity date of any Indebtedness, customary bridge loans that are subject to customary conditions (including no payment or bankruptcy event of default) that would either automatically be extended as, converted into or required to be exchanged for permanent refinancing shall be deemed to have the maturity date as so extended, converted or exchanged.

(c) Notwithstanding anything to the contrary herein, in the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued, any Lien is incurred, any Investment or Restricted Payment is made or other transaction is undertaken in reliance on a ratio basket based on the Fixed Charge Coverage Ratio, Consolidated First Lien Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio or Consolidated Total Net Leverage Ratio, such ratio(s) shall be calculated with respect to such incurrence, issuance or other transaction without giving effect to amounts being utilized under any other basket (other than another ratio basket based on the Fixed Charge Coverage Ratio, Consolidated First Lien Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio or Consolidated Total Net Leverage Ratio) on the same date, and each item of Indebtedness, Disqualified Stock or Preferred Stock that is incurred or issued, each Lien incurred, each Investment or Restricted Payment made and each other transaction undertaken will be deemed to have been incurred, issued, made or taken first, to the extent available, pursuant to the relevant Fixed Charge Coverage Ratio, Consolidated First Lien Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio or Consolidated Total Net Leverage Ratio test.

A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes for a period beginning 15 Business Days before an Interest Payment Date and ending on such Interest Payment Date.

9. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

10. Unclaimed Money

If money for the payment of the principal of or premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuer at its request unless an abandoned property law designates another person. After any such payment, Holders entitled to the money must look only to the Issuer and not to the Trustee for payment.

11. Discharge and Defeasance

Subject to certain conditions set forth in the Indenture, the Issuer at any time may terminate some or all of its obligations under the Notes, the Indenture and the Security Documents if the Issuer deposits in trust with the Trustee (in a manner that is not revocable by the Issuer or any of its Affiliates) money or U.S. Government Obligations (sufficient, without reinvestment, in the opinion of a nationally recognized certified public accounting firm) for the payment of principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be.

12. Amendment, Waiver

The Indenture and the Notes may be amended or waived as set forth in Article IX of the Indenture.

13. Defaults and Remedies

14. Trustee and Collateral Agent Dealings with the Issuer

Subject to certain limitations set forth in the Indenture, the Trustee or the Collateral Agent under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuer or its Affiliates and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not the Trustee or the Collateral Agent, as the case may be.

15. No Recourse Against Others

No manager, managing director, director, officer, employee, incorporator or Holder of any Equity Interests in the Issuer, any Subsidiary or any direct or indirect parent of the Issuer, as such, shall have any liability for any obligations of the Issuer or any Guarantor under the Notes, this Indenture, the Security Documents, the Intercreditor Agreements or any Guarantee or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting this Note, each Holder waives and releases all such liability. The waiver and release shall be part of the consideration for the issuance of this Note. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

16. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent acting on its behalf) manually signs the certificate of authentication on the other side of this Note.

17. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entirety), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian) and U/G/M/A (=Uniform Gift to Minors Act).

Pursuant to a recommendation promulgated by the Committee on Uniform Note Identification Procedures the Issuer has caused CUSIP numbers to be printed on this Note. No representation is made as to the accuracy of such numbers as printed on this Note and reliance may be placed only on the other identification numbers placed thereon.

19. Successor Entity

When a successor entity assumes, in accordance with the Indenture, all the obligations of its predecessor under the Notes and the Indenture, and immediately before and thereafter no Default or Event of Default exists and all other conditions of the Indenture are satisfied, the predecessor entity shall be released from those obligations.

20. Security

The Notes shall be secured by first-priority Liens in the Fixed Asset Collateral and second-priority Liens in the Current Asset Collateral, in each case subject to Permitted Liens, on the terms and conditions set forth in the Indenture, the Security Documents and the Intercreditor Agreements. WHEREAS, Section 3.11—Future Guarantors of the Indenture provides that under certain circumstances the New Guarantors shall execute and deliver to the Trustee a supplemental indenture pursuant to which the New Guarantors shall unconditionally guarantee all of the Issuer’s obligations under the Notes and the Indenture on the terms and conditions set forth herein; and

WHEREAS, pursuant to Section 9.1—Amendments Without Consent of Holders of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Issuer, the New Guarantors and the Trustee mutually covenant and agree for the equal and ratable benefit of the Holders as follows:

1. Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.
2. Agreements to Become Guarantors. Each of the New Guarantors hereby unconditionally guarantees the Issuer’s obligations for the due and punctual payment of the principal of, premium, if any, and interest on all the Notes and the performance and observance of each other obligation and covenant set forth in the Indenture to be performed or observed on the part of the Issuer, on the terms and subject to the conditions set forth in Article X—Guarantees of the Indenture and agrees to be bound by all other provisions of the Indenture and the Notes applicable to a Guarantor therein.
3. Ratification of Indenture; Supplemental Indenture Part of Indenture. Except as expressly amended hereby, the Indenture is in all respects ratified and confirmed and all the terms, conditions and provisions thereof shall remain in full force and effect. This Supplemental Indenture shall form a part of the Indenture for all purposes, and every Holder heretofore or hereafter authenticated and delivered shall be bound hereby.
4. No Recourse Against Others. No manager, managing director, director, officer, employee, incorporator or holder of any Equity Interests in the Issuer, any Subsidiary or any direct or indirect parent of the Issuer, as such, shall have any liability for any obligations of the Issuer or the New Guarantors under the Notes, the Indenture, the Security Documents, the Intercreditor Agreements or any Guarantee or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder, by accepting a Note, waives and releases all such liability. This waiver and release are part of the consideration for the issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.
